WHAT DO YOU LIKE BEST ABOUT FCHS?

"It's a little more lenient, you can chew gum." - Dennis Williams

"It's small so you can get involved in more activities." - Lisa Edwards

"The Staff!" - Brenda Byrd

"The teachers." - John Kelly

"The amazing refrigerated water fountains." - Jennifer Lyons

"The freedom." - Peter Ng

"The kids." - Rebecca Miskell

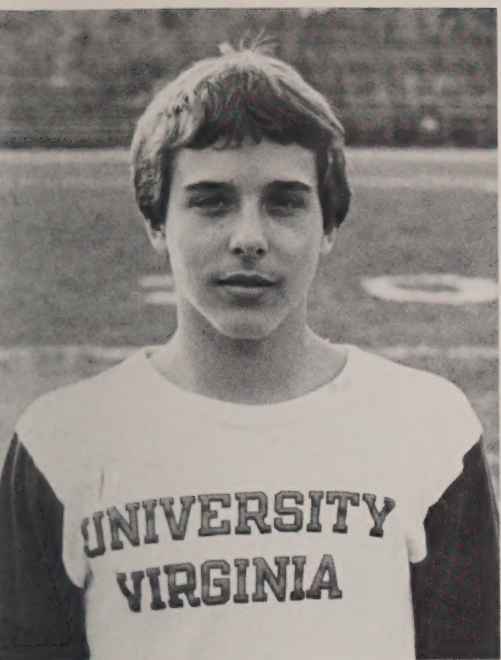

"It's more diversified than other Fairfax County schools." - Wendi Crouch

"The school atmosphere between June and September." - Dave Motes

"Lack of competition." - David Lenard

"The art department." - Steven Stull

THE RIGHT CHOICE

Three schools are situated in the nearby area that students could attend with little difficulty. These schools share the same purpose — all of them are a place to learn. Falls Church, however, has some qualities that make it different and special to all the students who attend.

Falls Church High School, for many years, has been referred to as the melting pot of the area because more languages are spoken here than any other high school in Fairfax County. When a student enters Falls Church High School, he enters a rich world of various cultures, traditions, religions and customs. This helps him learn more about far away lands from first-hand accounts rather than from books like students from other schools do. The students of Falls Church also work well together despite the different backgrounds and language barriers.

The faculty of Falls Church also helps make our four years here more enjoyable. The caring counselors are always available and try to do everything they can to give us a good education. The principal of Falls Church tries to meet all of the attending students and listen to their problems.

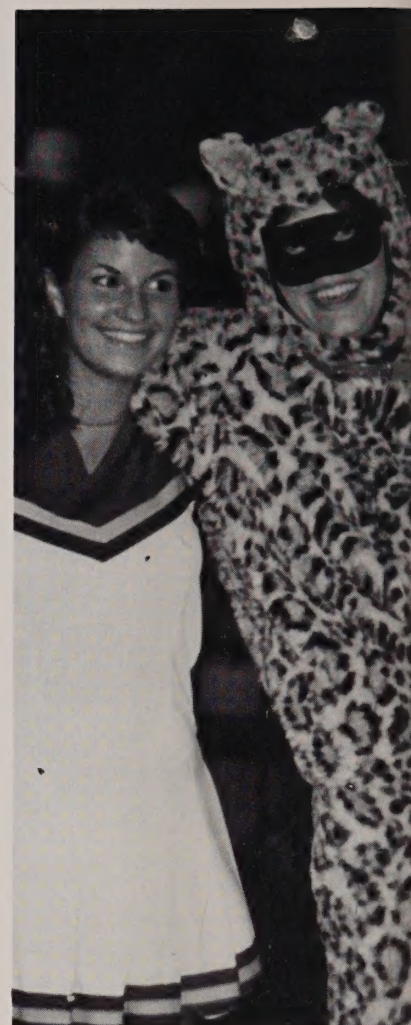

Falls Church has also grown into a spirited school. Before each game players and coaches are given good luck cheers in many ways. Whether through pep rallies, hall decorations, or just a good luck by students passing in the hall, the team knows before a game that they are being supported. Victory or defeat, the students of Falls Church are behind them in every game.

The Falls Church marching band is also highly regarded by the student body and the facul-

ty. The band wins numerous awards in most of the competitions they enter. The band is one of our highlights and is something Falls Church is very proud of.

Equally as exciting is the great number of quality clubs offered at Falls Church. There are clubs for all the different types of students. The clubs cover not only school interests but community interests too, helping students learn more about their communities and giving them the opportunity to meet and work with the wide variety of people in the student body.

Falls Church High School is an interesting and unique school and will be remembered by most of the students who attend. If ever in doubt, merely consider the other possibilities and see if you've made "THE RIGHT CHOICE!"

Many different students, yet all working together.

MY TEEN YEARS

It's not enough to have a dream
unless I'm willing to pursue it-

It's not enough to know what's right
unless I'm strong enough to do it-

It's not enough to join the crowd,
to be acknowledged and accepted-

I must be true to my ideals,
even if I'm excluded and rejected-

It's not enough to learn the truth
unless I also learn to live it-

It's not enough to reach for love
unless I care enough to give it.

WHAT IS IT LIKE BEING A SENIOR??

What is a senior? Webster's dictionary would define it as the following: a person with higher standing or rank; a student in the year preceding graduation from a school of secondary or higher level. This definition now relates to many Falls Church High School seniors of the class of '87. They also had a few other things to say about their senior year.

Most of the seniors when asked what they liked best about being a senior said the privileges and, as Stacey Stevenson said, "not worrying about having other people older than you." Seniors today are looking forward to college, graduation, jobs in the working world, freedom, and last but not least, BEACH WEEK!!

Although these goals are great and exciting to look forward to you also have to think about what college you want to attend and applying to it, achieving a decent score on the SAT exams to get into college, harder classes, and finding the right job after graduation.

The advantages of being a senior are usually viewed upon by most seniors the same way. You feel that you are more experienced and older than the underclassmen. Seniors have been in high school for four years now and know more about the school and the future ahead than students younger.

Seniors have such privileges as leaving class three minutes early before lunch, using the senior courtyard, and having more say in school activities. But the greatest privilege seniors have this year is June 11th—GRADUATION!!!

THANK YOU, MISS SCOTT

At the beginning of the 1983-84 school year, Miss Scott accepted our request to be the Class of 1987's sponsor. Through the years, Miss Scott has helped us become the class we are today.

When asked what Miss Scott liked most about representing the Class of '87, she said she felt that she knew everyone. "The members of the Class of '87 are polite to everyone in the class and really come together in good and bad times."

This year, Miss Scott and the Senior Class officers have many ideas to improve senior enthusiasm. Some of the ideas are: improve involvement in the Sadie Hawkins dance; Powder Puff Game to be made a major fund raiser; clean up the senior courtyard; and have a special cheering section at the football games for seniors.

Looking back to our freshman year, Miss Scott agrees that this has been the best year yet. The seniors are more enthusiastic and are really getting involved. Miss Scott also represents and organizes all activities for the cheerleaders. Working with the cheerleaders and the Senior Class could become a big job, but Miss Scott says it was no hassle at all with the help of Melissa Morreale, the Senior Class president. Melissa has done a great job as Senior Class president.

Miss Scott has been a great help not just to the class officers but to anybody who needed it. Melissa Morreale worked the closest with Miss Scott for all four years and they have become good friends. Melissa said, "Miss Scott did everything for the Class of '87, and I couldn't have done it without her. She's the best!"

From the Class of '87 to you, Miss Scott, we thank you for sponsoring us and helping us make it the best four years possible!!

THE BEST THERE IS

The Class of 1988 is finally pulling it together. As we all know, our class as a whole, has not been all that spirited. Well, cheer up, because this is the year for the Junior class to show that we can do whatever we set our minds to.

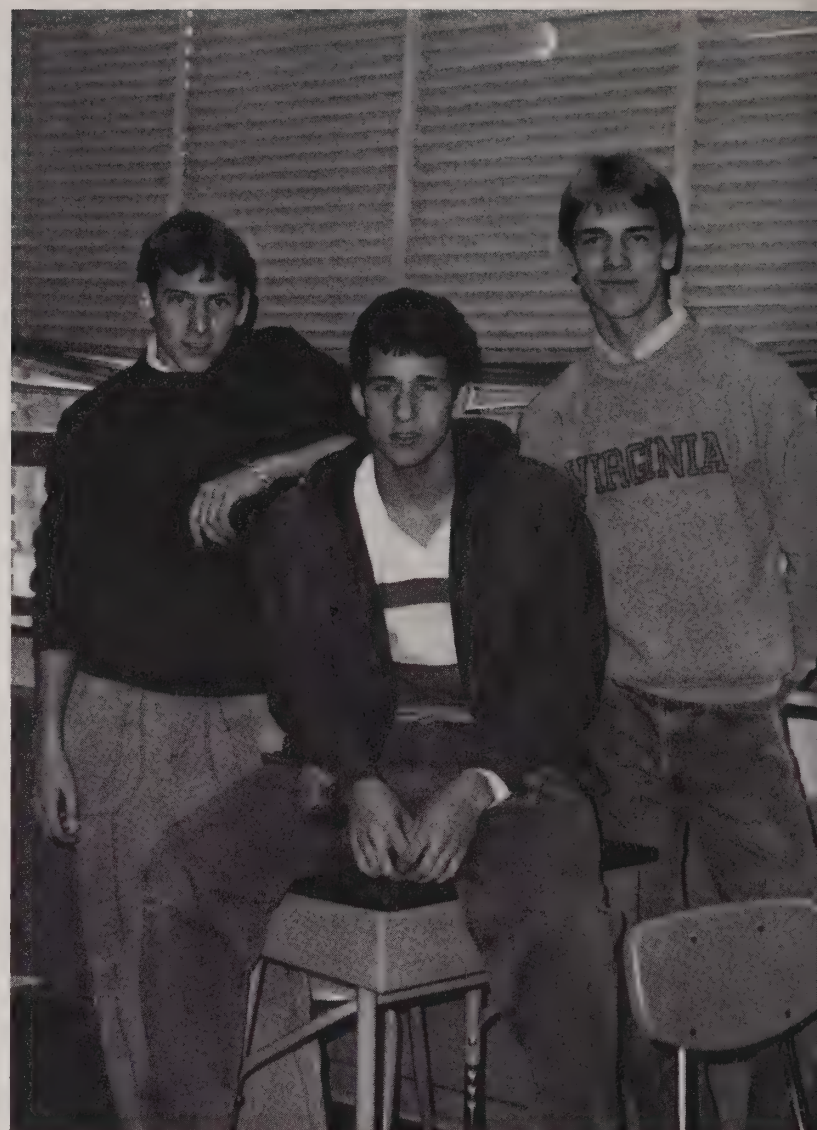

We asked some of the Juniors at Falls Church what they think, and they all seem to come to the agreement that our class has come a long way. Kristen Tate replied that "once we get motivated, we do all right." The opinion of Karen Doff, Junior class secretary, is "Spirit is increasing." The theme of this year's float, which is Fall, hopefully will prove that people have been underestimating us.

Over the past two years,

the Class of '88 has been raking in the money by fundraising. We have sold everything from M & M's to apples to raise money for the Junior/Senior prom, as well as other things. Calvin Schneider, Junior class treasurer, says that we are going to try to raise money to pay for our own prom so that we "can have it where we want it." This year's prom will be held at the J.W. Marriott in D.C.

With all things said and done, you can see that the Juniors really mean business. No more losing floats and nasty insults hurled at us by articles printed in the "Jaguar Journal." This year, so far, has been a good one and next year will be the best yet!

WATCH OUT

WE'RE OUT AND DRIVING!

So, you're in the eleventh grade. Which means you are already sixteen or will probably be turning sixteen sometime during the year. Sixteen, the magic age, when you are allowed under the law to obtain your driver's license, with the consent of your parents of course! For most this is an exciting experience, one which has been long awaited. We surveyed Mrs. Elder's and Mrs. Adleberg's first and second and fourth and fifth period American Civilization classes to uncover a few interesting statistics related to cars and driving.

Here are our results:

Out of seventy people surveyed 66% said they had a license.

40% said they had a car they could drive regularly.

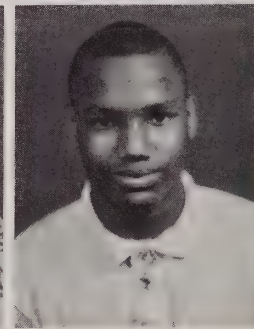

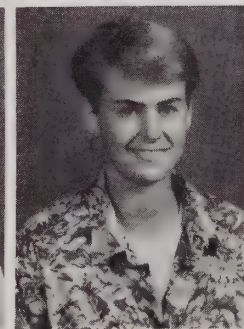

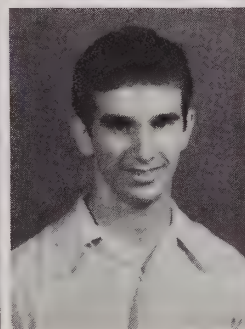

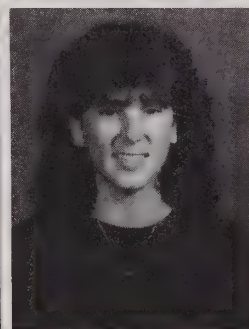

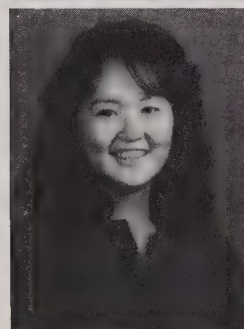

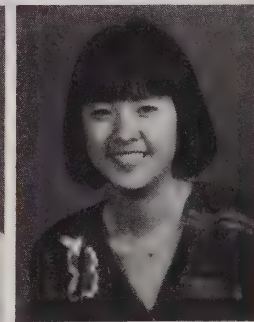

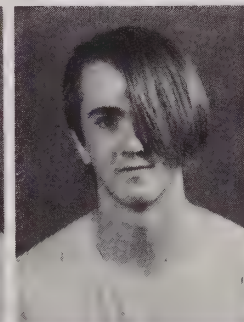

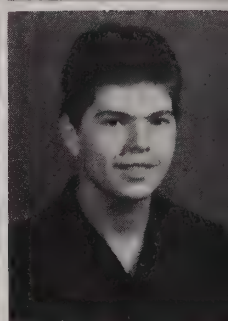

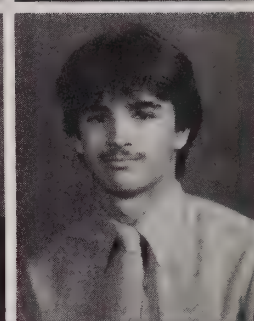

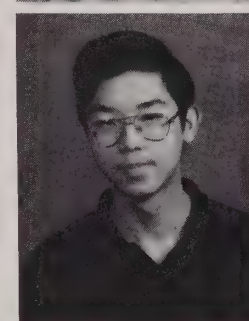

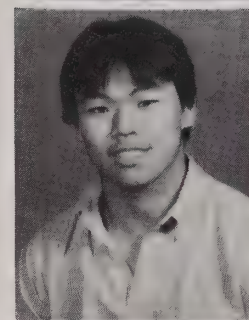

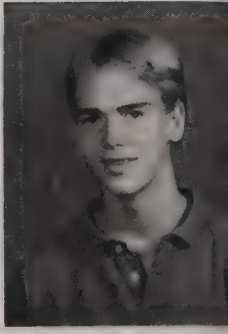

17% said they had their own car.

22% said they used their parents'.

7% said they had received tickets.

31% said they had been in car accidents.

Favorite cars were Jaguars, Mustangs, Porsches, and anything that runs!

THE PRIDE IS BACK

The Junior class demonstrated a generous amount of class spirit through the participation of many students at football games, pep rallies, Junior class meetings, and various other activities.

Many students felt that there was a greater degree of enthusiasm shown by the students than in past years. Grace Lillevig was one student who remarked, "I think that there was more spirit expressed by the Juniors this year." Another Junior, Judy Lee, also stated, "I think that the Juniors have gotten more spirited."

While there were a few students who felt class spirit had diminished or just did not care, they were relatively few in number. For the most part, there seemed to be genuine concern and commitment towards increasing school pride and spirit and improving the image of Falls Church High School within the community.

The Junior class was dedicated to increasing involvement in school activities, encouraging enthusiasm and school pride, and paving the way for a fantastic, memorable year. We look forward to the best year ever!

THE FINAL COUNTDOWN

THE ROAD TO SENIORITY

As summer vacation and SENIOR year approach, what are the Juniors thinking about? At the top of the list are beach week and graduation next year. The first thing that popped into Marianne Littleton's head was, "beach week at Ocean City!" and Lisa Karwois quickly replied, "being able to sleep in!"

What about when the summer is over and the BIG YEAR starts? Marsha Schmied is thinking about "getting Senior pictures taken, finding a college to go to, and definitely Seniority!"

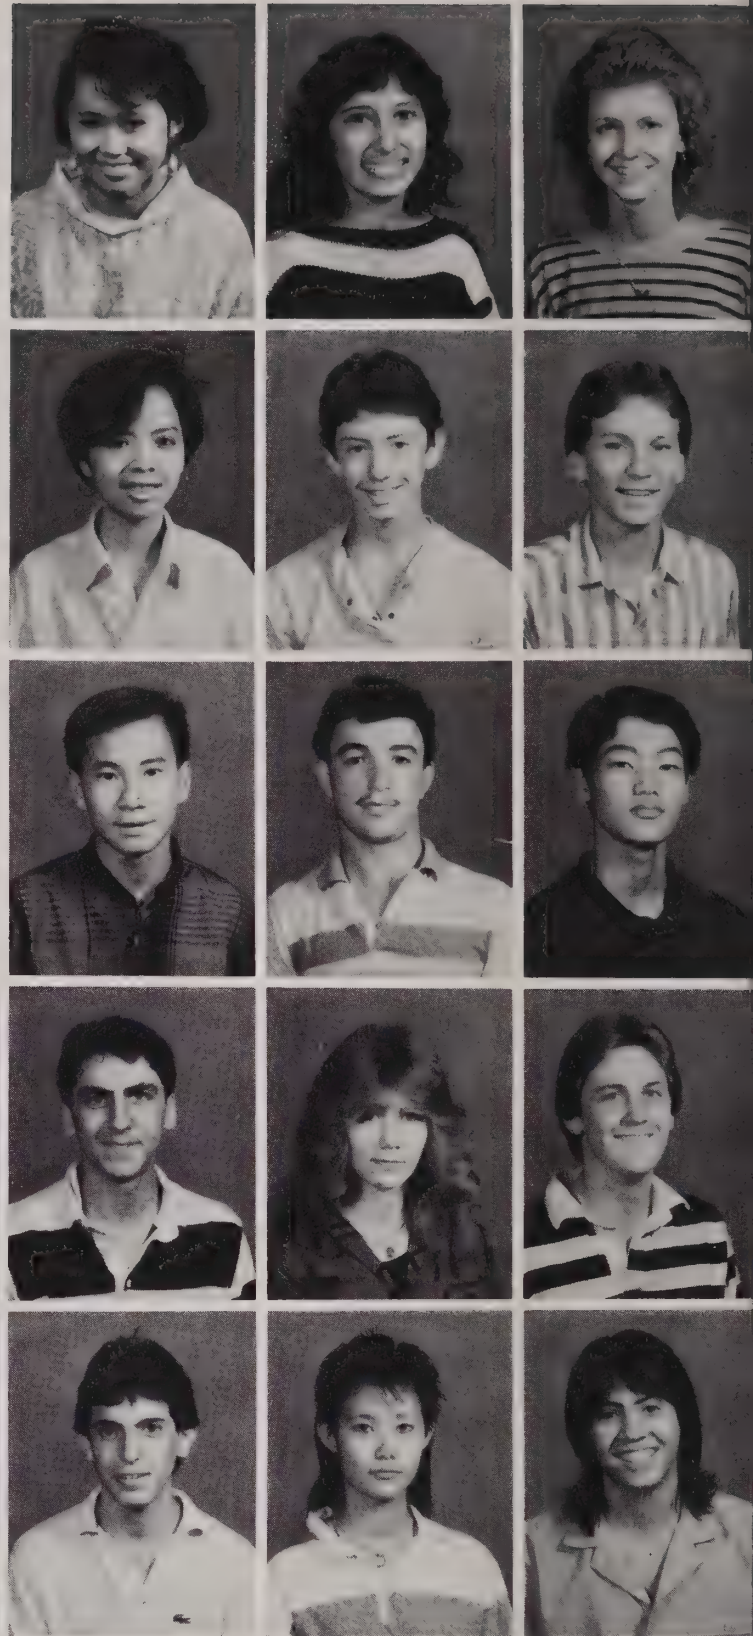

Of course there is a serious side to Senior year in high school. There's always the question of where to apply for college and where will your friends be. Many Juniors commented

that they were looking forward to their Senior year.

"It will be scary but fun. Scary because you're insecure about leaving a place you have been at for four years yet fun since Seniors rule."

Marianne became serious for a moment and said, "Once school starts I'll be working hard and getting ready for SAT's. I'll also start thinking more about my friends and thinking on a more serious level since people will be treating me more as an adult." Another student just wonders "what to do after graduation!"

Overall, the Juniors are ready for summer and the challenge and excitement of their Senior year.

POPULAR TRADITION

LIVES ON

The day is here and the wait is finally over. Class rings are making their appearance! For Juniors, receiving your class ring puts you closer to reaching the pedestal of your final year in high school. Now you finally feel like Juniors and can proudly display the ring that tells everyone when you're going to graduate!

As soon as that ring is slid onto their fingers, each person rushes to their friends to have it examined. After much "OOH-ING" and "AAHING" the admirer is usually asked, "Will you turn my ring?" The tradition of having your ring turned passes down year after year and the goal is to get as many people to

turn it to what ever the year on the ring shows. Who ever turns it last is supposed to give the ring bearer a kiss. Many people think this is silly but it never fails to continue.

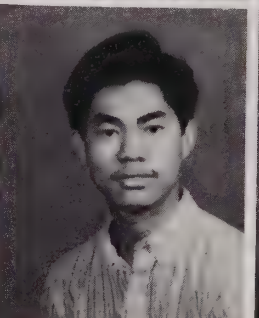

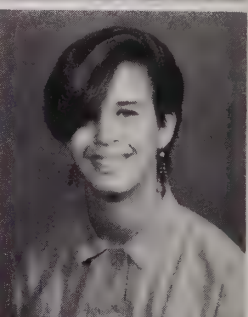

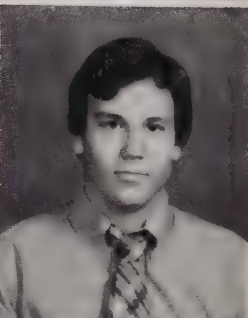

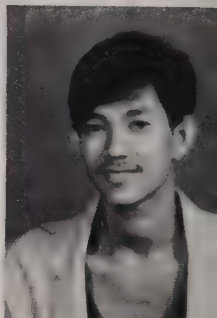

Styles are another big factor. Gold or silver, what kind of stone, and is your full name carved or just the initials?

If you happen to be dating someone, the guys usually have their rings long enough to show Mom and Dad and then dutifully give them to their girlfriends. Rarely do you see a guy with a girl's ring!

Owning a class ring is a symbol of success that each Junior can proudly show-off!

SOPHOMORES

"Go home Juniors, go home," were the words that the Sophomores chanted during a pep rally, as the friction between classes intensified.

Christie Banks and Ji Yang try to do their Biology work without being distracted; however, it doesn't seem to be working.

Hey guys, don't look now, but you're being observed by very pushy photographers. Left to Right, Andy Howard and Tri Vo.

Top: Valerie, is that really your English project for Mrs. Starling?

Bottom: Larry and Tommy take time out from their social schedule to pose for our photographers.

Top: Emily and Wendy seem to be having fun in this class, but what about Cheryl?

Bottom: Obviously these sophomores weren't into the pep rally, they were too busy fooling around!

(after 2pm) at Falls Church High

What happens to fellow Sophomores when the bell rings at 2:05? I can tell you right now that most of them don't rush right home and do their beloved homework.

As Pam Cartwright put it, "Sports and friends, not necessarily in that order, but homework is definately last!"

The places we hang-out with our friends differ; Rahul Chaudhry goes to Tysons with his friends while Molly Ray and Rosie Haywood go to football games to meet theirs.

A big part of the sophomores' lives deal with some kind of sport. During the school year they can participate in many school sports in order to show their Jaguar Spirit. Caity Davis for instance, does field hockey, softball, and swimming.

The word "band" has almost become synonymous with the idea of sports because the band is loyally backing up many sports. The band practices afterschool, in the evenings, and even on Saturdays.

"It takes a lot of dedication and effort, but in the end when you perform well and win, it pays off," says Tricia Rogers, as Todd Math and Don Mount agree.

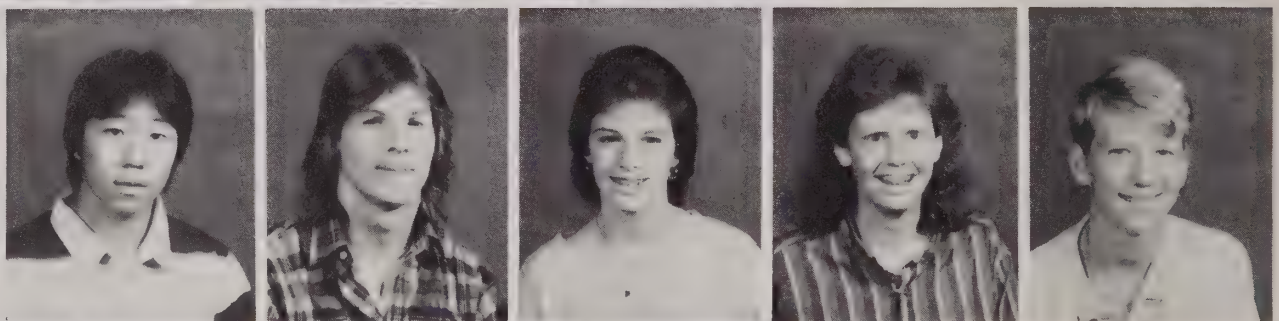

The Sophomores have many interests that range from Mike Sconce and Youn Kim's "mixin' Go-Go and Rap music," to Will Chaio, Dan Stanton, and Eric Lamp's "thrashin' around town." Whatever their interests are and whatever they do after school, you'll find that each Sophomore is unique with his or her own tastes.

FRESHMEN: LIFE AT THE BOTTOM

There is something about that title that can only suggest one thing, FRESHMEN! A polled definition (from upper-classmen) of a freshman is, an inexperienced scum who thinks he (or she, as the case may be) knows everything. But hey, let's be fair about it, we were all once lowly freshmen. (come on . . . admit it) Surely you know how it feels to be a freshman, trying to be cool, looking up to the big, bad, upper-classmen.

Most freshmen agree that life is indeed "at the bottom". Jamie Carrillo thinks it's because everyone is older than the freshmen. Jerry Kennedy says that the freshmen get stuck with the worst of everything.

"Of course it is, everyone looks down on

you because you're younger and new at the school," stated John Valentino.

Some freshmen actually admit that being the low man on the totem pole isn't that bad.

"I just remember the seventh and eighth graders, then it doesn't seem so bad," said Stacy Lee.

Joe Brown remarks, "I'm not a nerd and I'm not a geek, so I don't really act like a freshman."

Other freshmen were happy to tell me that they were having a great year so far. Oh, how naive they are! Since I'm such a caring person, I refuse to reveal their identity. Some upper-classmen might try to change the outcome of their year.

Spirited freshmen display confidence in their float. Alas, they placed third.

Buchanan and Bennett, otherwise known as "B + B." Strike an awe-inspiring pose.

TORTURE IN FCHS

"You're in World Civ—Bennett and Buchanan—really?" a veteran of this class asks with a pitying look, "Have fun."

The World Civilization course is widely known through Falls Church as "very challenging." Roe Buchanan and Sid Bennett teach this joint History/English class during first and second periods. Projects such as historically based short stories and heraldic shields that "depict you as an individual and member of a particular family," are examples of what these two teachers have come up with after years of searching their brains for mind-altering projects.

Although the class may be "torture," as one student said, students generally admit that

they are learning a lot.

One student says, "The class is tons of work—lots of reading, note-taking and essay writing, but it's usually interesting, too."

At one point, the students were reading *The Odyssey*, working on heraldic shields, beginning work on a project called, "Who is the Real . . .?," and doing regular English and History work at the same time.

When asked about the workload, one student comments, "Sometimes the work really piles up on you, but most people usually manage to get it all done."

The question is, "Is all the work really worth it?" It must be since most World Civ. students stick with it. By Kerry Leibig

VARSITY FOOTBALL 1986

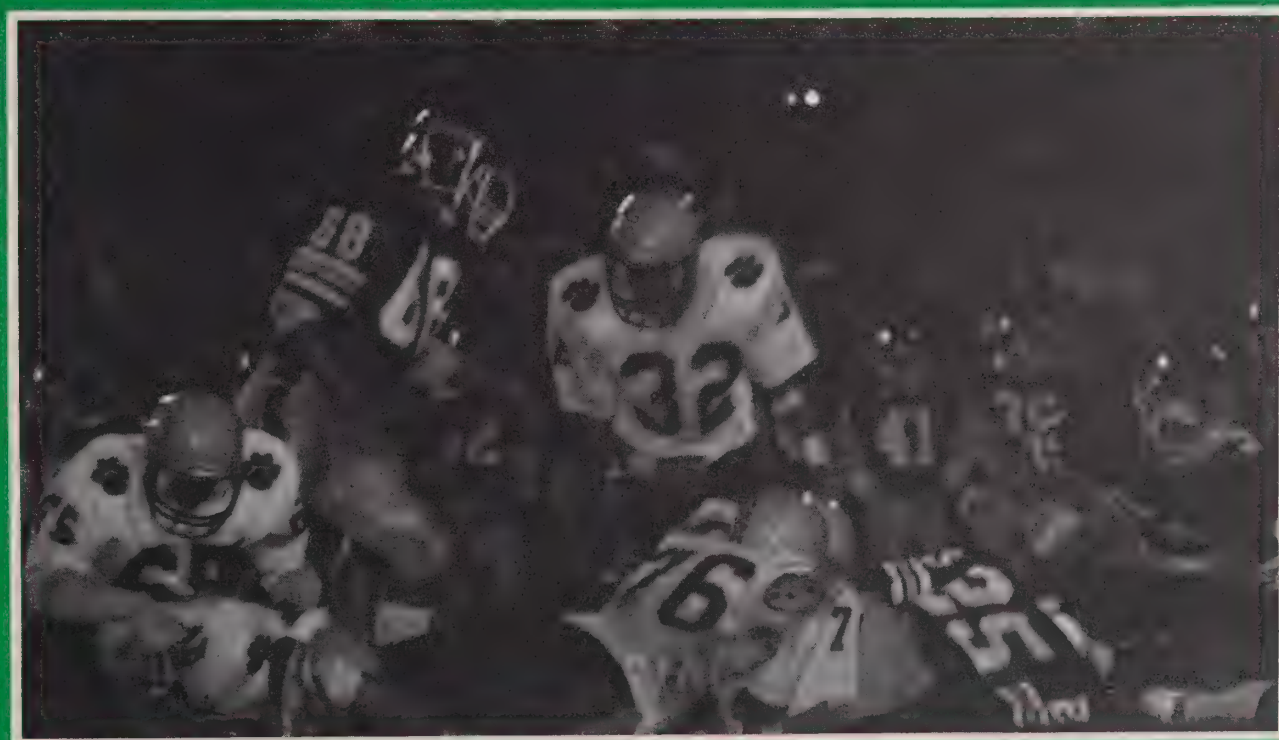

What?! Where did those points
come from?

Although this year has not
been a record-breaker for
the Falls Church Varsity
Football Team, it is not for
lack of trying. In spite of the
3-7 season record, the Var-
sity team gave it their all. In
the Homecoming game
against Annandale, we were
defeated in the last few
minutes by a fifty-yard field
goal and consequently lost
by a single point. Despite
the record, the Jaguars
made it into the District
Play-offs against Stuart and
did their best.

Some of the players who
have worked to the very
best of their abilities are co-
captains Mike McGinn and
Cliff Epperson. Some of you
might remember his brother,
Tony Epperson, another
fine athlete from Falls
Church. Other players are
Pete Stup and Chong Yi,
who caught seven intercep-
tions this season, also this
year's MVP, Aaron Sutton.
The Varsity Team did their
best and there are new sea-
sons and other sports for
the Jaguars to try again and
improve on their record.

Falls Church in the midst of,
"Crushing the Chargers."

J.V. FOOTBALL

This year wasn't the greatest for any of Falls Church High's football teams. The Junior Varsity team didn't give up and played their hardest right up until the last game. Coach Scott Rolland backed it up by saying "They all played extremely hard and I expect to see many of them on next years Varsity team."

The JV teams Most Valu-

able Player this year was Babak Okhowat, but he was not the only person on the team that played well. David Mathis and Chris Pearson were also noted for their efforts to contribute in the season. The JV players will have another opportunity to better their 2 - 8 season record next year on the Varsity team.

The eyes tell it all.

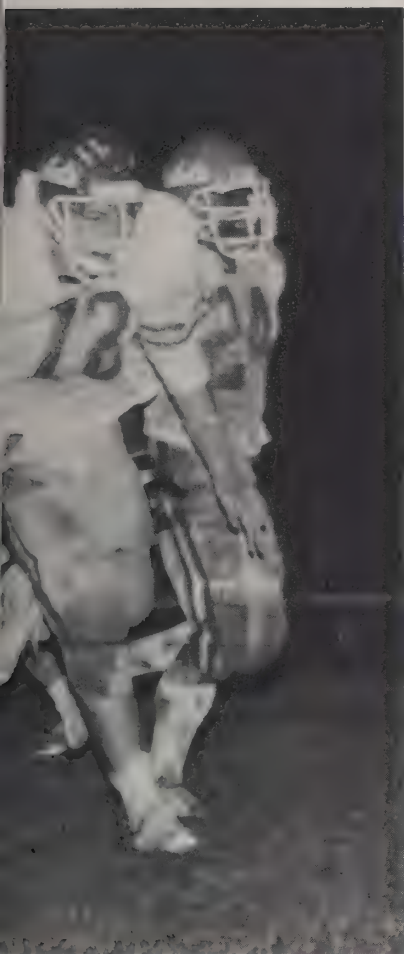

We're taking it in for a touchdown!

FRESHMEN FOOTBALL

Although this years' Freshman Football team had a losing record of one win, six losses, and one tie, Coach Don Brown was quoted as saying, "They played hard and with a lot of heart right up to the last game". In fact, there were many outstanding players that will most likely be in future teams. Some of them were team captains Ray Camas, Nathan Owen, and Chris Pearson, who was also named this years' MVP. Other players who excelled were Chong Yi, Jerry Kenney, and Laurence Davis. Everyone on the team gave it their best shot, and better luck next year.

The Freshman Football Team: front row left to right: Luray Layne, Laurence Davis, Steve Bailey, Chong Yi, Pedro Romero, Thip Soundara, Jeff Yarbrough, Steve Yasin. Second row left to right: Joey Moorman, David Poole, Thomas Ringer, Clayton Tompkins, Ray Camas, Alex Parsons, Genaro Turner, Clifton Johnson, Chris Pearson. Back row left to right: Coach Don Brown, Mike Jones, Matt Hiller, Jerry Kenney, Chris Phillips, Sajeev Mala-veetil, Nathan Owen, Jim Blood, Luong Lai, Kevin Cantwell, Frank Parker, Chris Whitaker.

There's nothing like that Jaquar pride!

HOCKEY

This years J.V. and Varsity field hockey teams showed enthusiasm and inspiration as they took on opponents in the Potomac District.

The J.V. team looked promising with a record of 5-6 and 1. Many of them show great hope for next years Varsity team. It was difficult for the returning members of the J.V. team, though, because of the loss of their last years coach, Pam Watson. They had to learn new plays from their new coach, Linda Jones. Not only is Jones a new coach at Falls Church, she is also a new member of the Falls Church faculty. She is the new awareness aide. With more work, the J.V. team could go on to be next years district leaders.

The Varsity team, under the leadership of second year coach Carla Thompson, had the best year they have had for many years. They finished the season with a 5 - 7 record, a big improvement over last years 2-10 record.

Even though all the members of both teams played hard, two players from each team were picked as this years Most Valuable Players. The J.V. field hockey M.V.P.'s were Jackie Holly, and Caity Davis. The Varsity M.V.P.'s were Marla Banks, and Molly Johnson. Johnson was also chosen for the Potomac District first team.

Varsity team: (back row) Marsha Schmied, Marianne Littleton, Jennifer Gregory, Lisa Karwois, Rebecca Graham, Molly Johnson, Michelle Schwallenberg, Christie Banks, Lisa Edwards. (front row) manager Roger Bailey, Marla Banks, Donna Holland, Lauri Tavenner, Anne Swartchick, Valerie Sutton, Jennifer Volmer.

J.V. team: (back row) Tina Shepardson, Jackie Holly, Linda Grillo, Tina Hills, Caity Davis, Sara Hjar, Christine Wan. (front row) Katy Kerr, Ji Yang, Cecilia Cuprill, Sharon Smith, Judith Groff, Stacy Lee, Ayesha Velderman.

TENNIS ANYONE?

Bivon Patnaik, manager, and players take time out to celebrate their last home game.

The team tries to pose for a more-less serious picture; however . . .

The girls tennis team, from right to left; (Back row) Thoa Ahn Tu, Louise Hoang, Tu Vu, Hoai Thuing Le, China Hwang, Coach Amoraso, Jennifer Little, Joanne Alexis, Bonnie Bruster, Soo Chin, Melissa Debrow, Nancy Hoang. (Front Row) Debbie Smith, Misha Patnaik, Alice Su, Heather Cain, Mia Pavitt, Tara Knott.

Although this years team had no victories all the players seemed to enjoy being on the team and plan on joining next year. This years team consisted of seventeen players, seven of which were varsity. The new coach this year was Coach Amoraso. The main problem with this years team, said Amoraso and the players, was that most of the team was inexperienced.

"The players have lots of talent," said Amoraso, "but have not had lots of experience in tournament play."

The players enjoyed being on the team for a variety of reasons.

Hoai-Thuing, a Sophomore who has

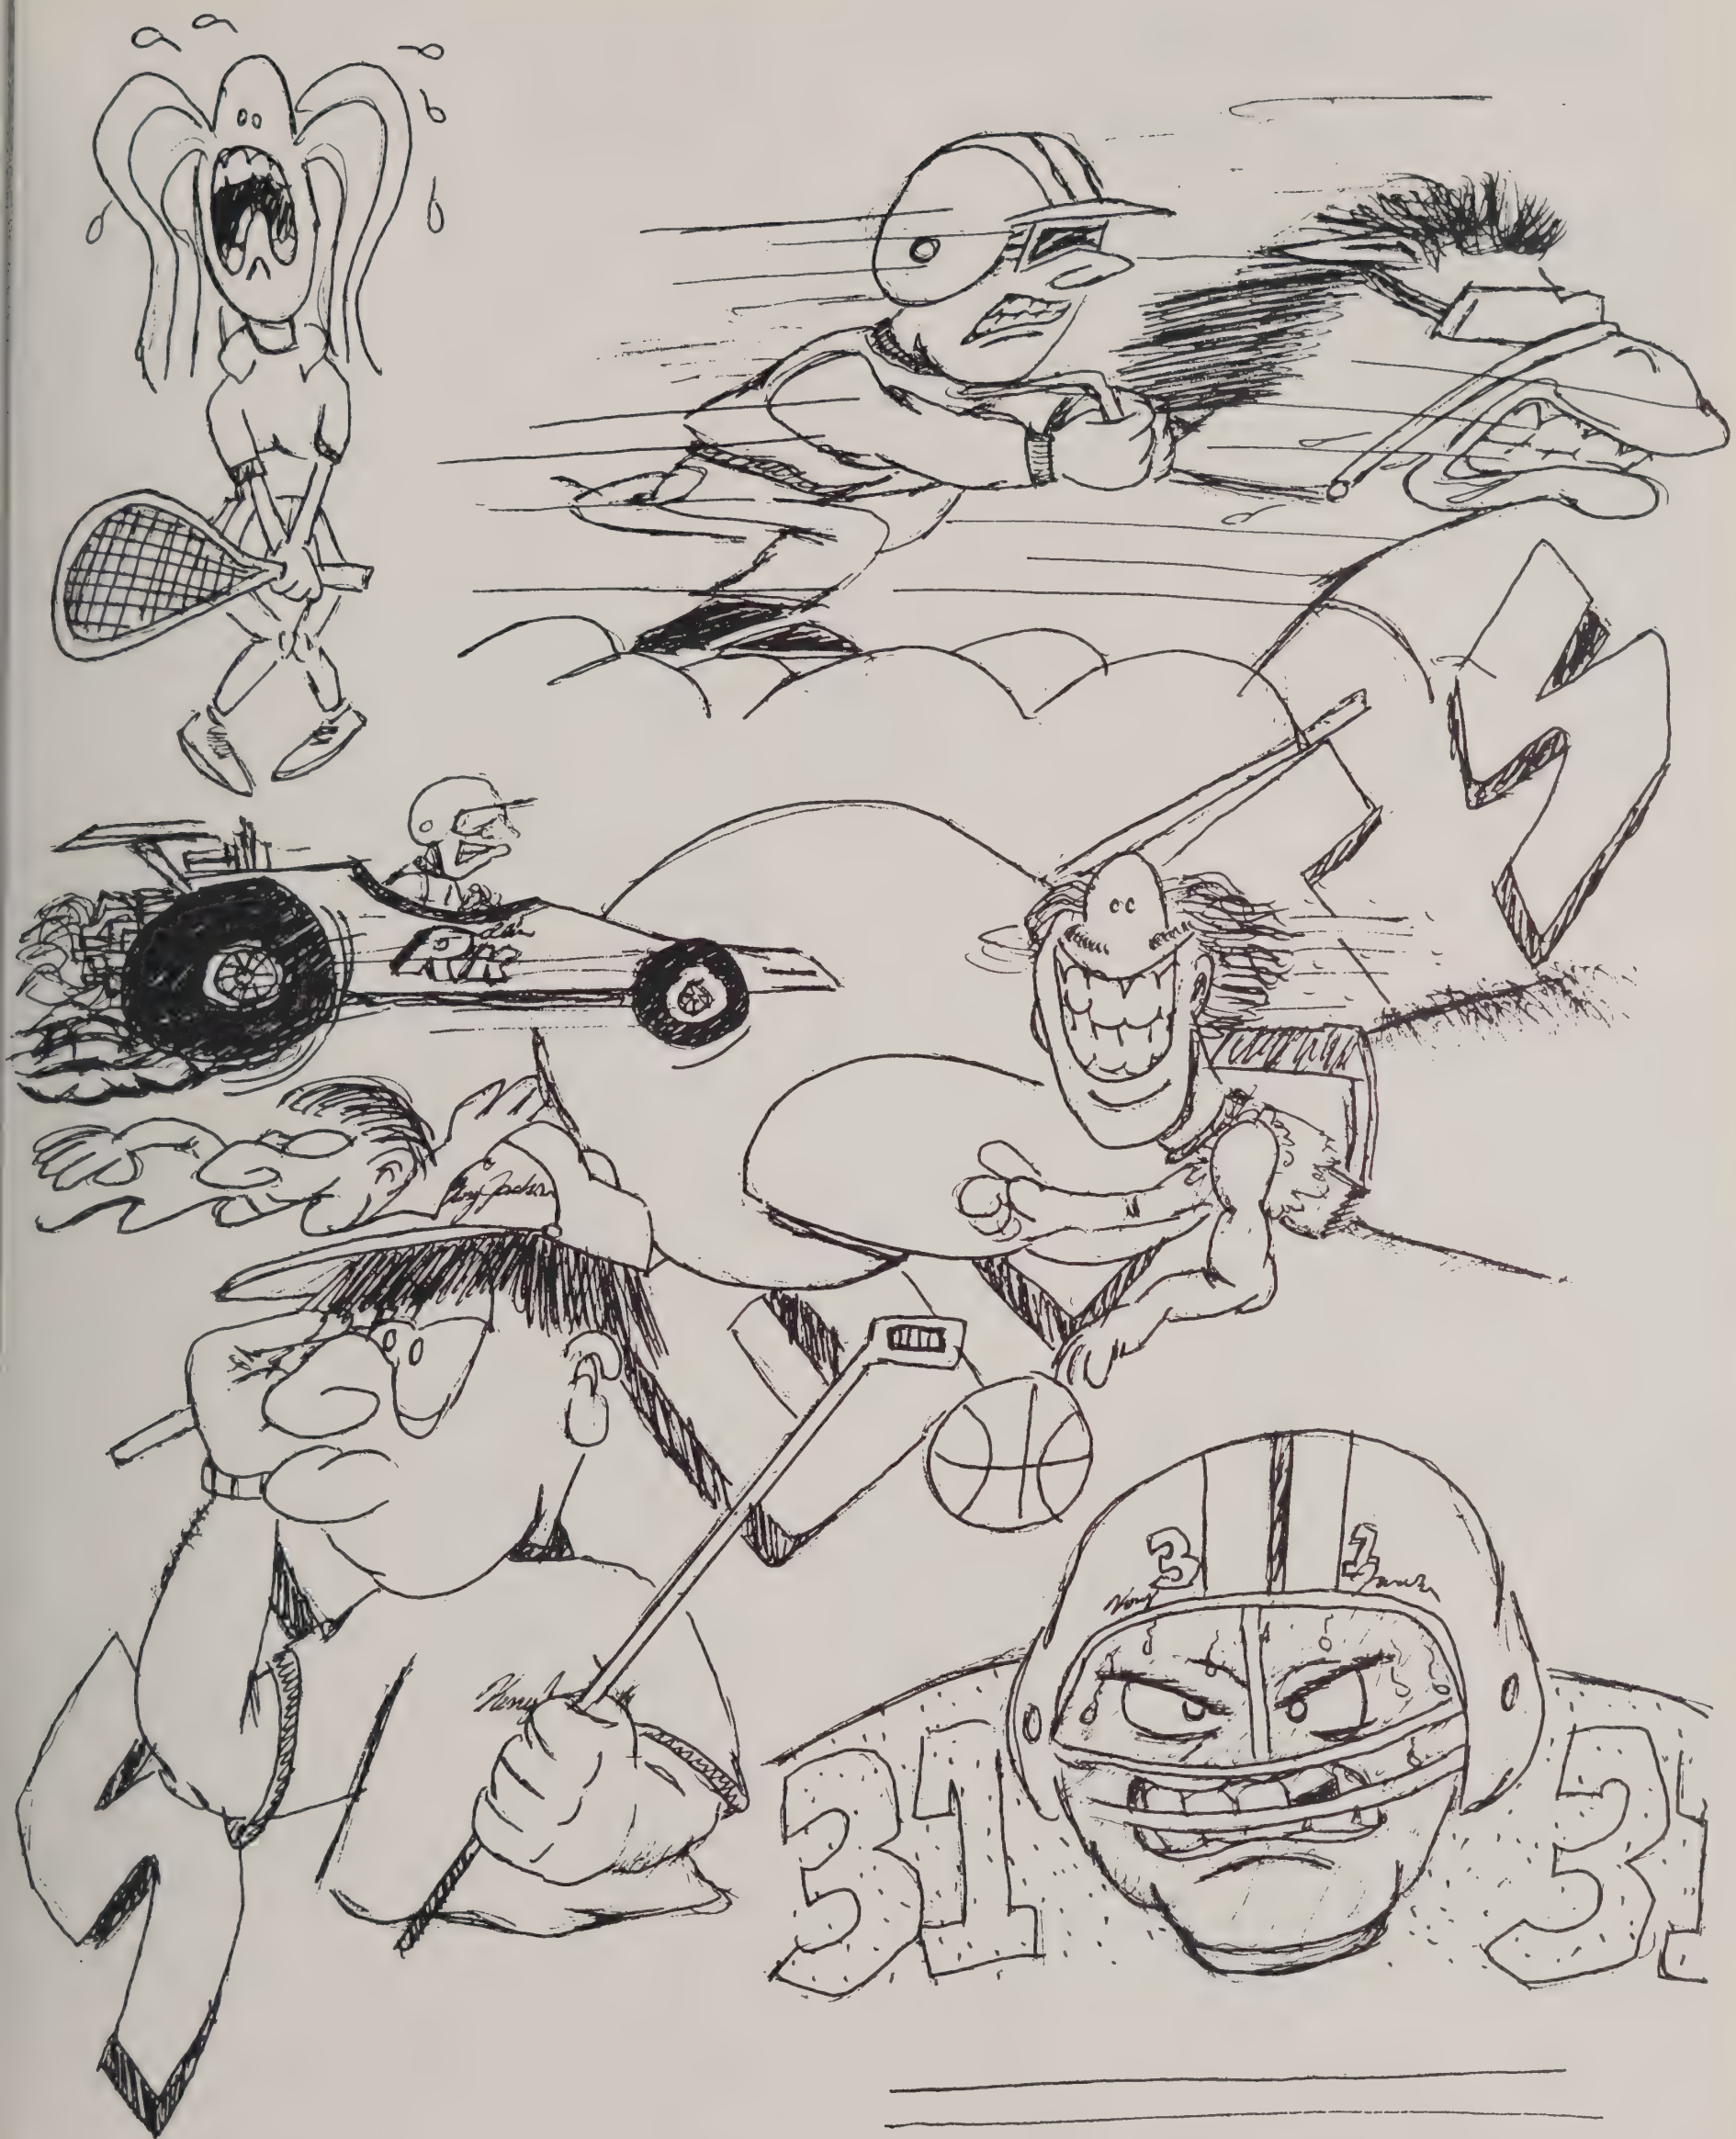

been playing tennis for four years stated, "I enjoy meeting new people and learning more about tennis."

Juniors Tu Vu, Louise Hoang, and Tara Knott said that they enjoyed the competition.

Coach Amoraso says that he enjoys coaching tennis because he loves the sport and enjoys teaching the players to develop new stroke strategies. He was, however, disappointed that the team didn't win any games this year; but like all the players he plans on coming back next year.

THE FORGOTTEN SPORT

Cross-Country: Front Row Kneeling: L-R Raymond Perkin, Mark Shinn, Co-Capt. David Saunders, Co-Capt. Benny Pettis, Joe Kirkpatrick and Gary Saunders. Standing: Coach Wells, Lisa Ingersol, Shawn Dikes, Ashley Strand, Becky Zimmerman, Geoff Coffee, John Wiles, Jennifer Smith, Chris Duncan Asst. Coach.

Cross Country is one of the least recognized sports at Falls Church High School. Few students support the team during the home meets. However, the runners are very self supporting. Motivation is "60 per cent" of distance running, says coach Christopher Duncan. A distance runner's true strength shows in his summer running. David Saunders and Mark Shinn displayed this strength by putting in over 500 miles over the summer each. On the other hand, Benny Pettis and Joe Kirkpatrick have simple natural talent and used it to help the team advance to the regional meet. Billy Pettis was the biggest surprise for coach Major Wells and Duncan. Gary

Saunders and Ray Parkin were also strong contributors to the team during the season. David Saunders and Benny Pettis placed sevenths and eighth in the district championships respectively. Saunders showed "real guts," says coach Duncan, because Saunders ran the final to championship meets of the year with a stress fracture of the pelvic bone.

The overall season ended well. The team improved the previous years record from 1 and 5, to 5 and 1. The only loss coming to the state champion Annandale Atoms. In addition, next years team looks stronger with the returning corp made up of Billy Pettis, Gary Saunders, Kirkpatrick and, Parkin.

David Saunders and Benny Pettis finished 7th and 8th in the Potomac District Championship.

Billy Pettis competes in the Kinny Southern Championship held in Charlotte, North Carolina.

Sophomore Gary Saunders battles to finish ahead of a Jefferson runner.

Indoor Track is mostly a preparing and building season for the longer and more competitive outdoor season. However, Falls Church showed a strong competitive streak. Henry Riddick, Glen Peterson, and Matt Miller anchored the sprinting corps and field events, William Gesaman and Sam Jones provided stability in the shot put. In the longer races, Benny and Billy Pettis gave the team a needed bolster to make a well balanced team. In addition,

once David Saunders and Bobby Chewey return from injuries, the track team will be a force to contend with in the Potomac District.

The track team is a young team. Freshmen John Lee and Steve Vielbig showed great promise during the season. While sophomores Billy Pettis, Gary Saunders, and Dan Goldstien are already making a name for themselves. These runners will certainly be the future for the Falls Church track team.

THE BUILDING SEASON

Indoor Track: Back row L-R Billy Pettis, Shawn Dikes, Paul Smith, Glenn Peterson, Bobby Chewey, Amy Hildre, Henry Riddick, Nicki Marsh, David Saunders, Middle row L-R John Lee, Dan Goldstein, Matt Miller, Mark Shinn, Ben Pettis, Larry Rodrigues, Bonnie Brusstar, Front row L-R Lisa Ingersoll, Paul Coates, Steve Vielbig, Gary Saunders, Becky Zimmerman, John Wiles, Chris Duncan.

John Lee and Matt Miller practice handing off the baton for the real event.

Glenn Peterson pulls away from a McLean runner in the 300 meter dash.

Shawn Dikes comes around for his split time in one of his many events.

Paul Coates prepares to hand off the baton.

Glenn Peterson gets psyched for his next event.

WINNING FORM

Most people would agree that to be a wrestler you need special qualities. To have winning form you need self-discipline, endurance, speed, flexibility, and an independent mind. Junior Joey McDaniel says, "You need to be someone who is willing to work hard." Weight really doesn't matter.

Training for the Jaguar wrestlers is a continuous process. They constantly work out, lift weights, and generally get in condition. Of course one may hear, "Start cutting weight!" commented Sophomore John Meadows. "They go to hell and back," said Coach

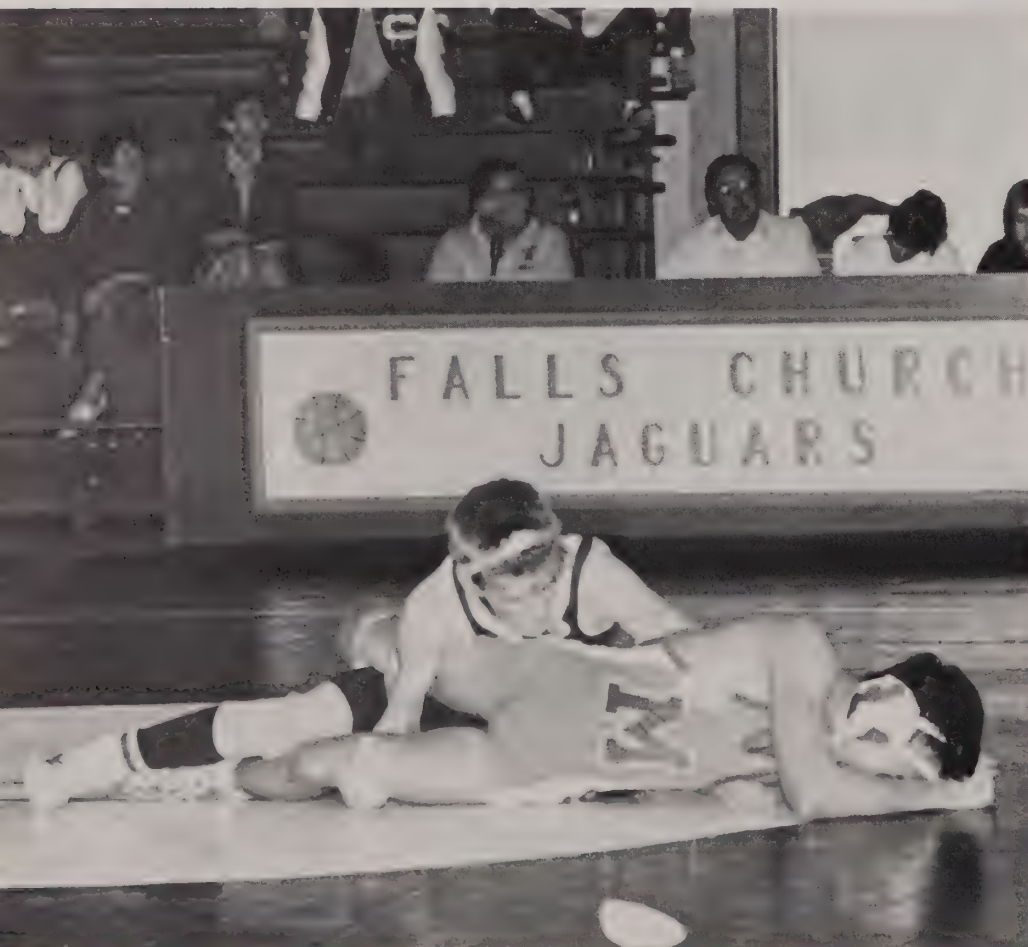

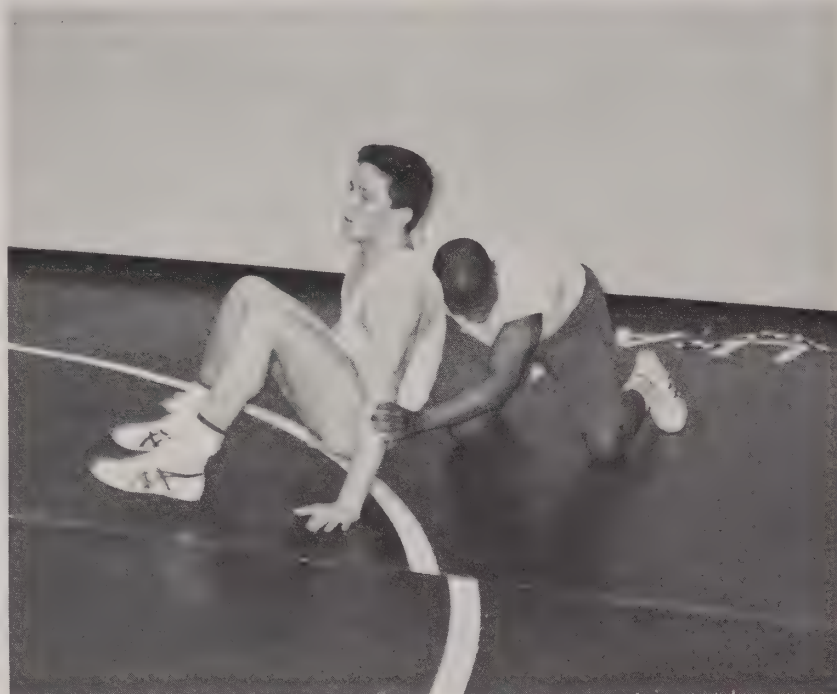

Panagos.

Coaches Schaffstall and Panagos planned to have the wrestlers focus on personal goals. The main goal this season was individual success—wrestling is an individual sport in which a team score is kept.

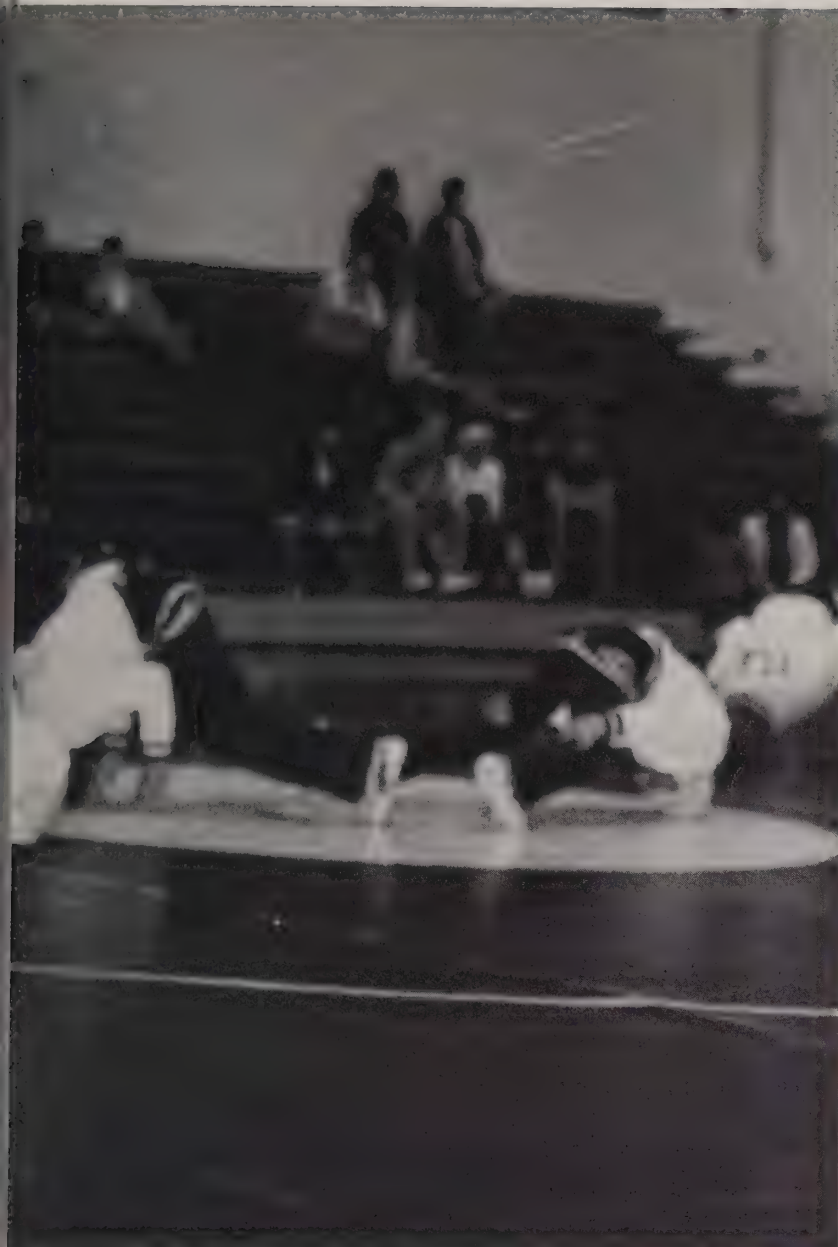

Those of you who do not know what the saying "Y even try?" means, just ask a wrestler. Explained to me by Senior Mason Ferratt, "It means we're going to win anyway so why should the other team even try?" Makes sense to me!

Junior, Dan Mazzei and sophomore, Terry Dupree practice their winning form.

Undefeated senior, Mason Ferratt works his opponent into a cradle move.

SMOOTH MOVES AND THE GYMNASTICS TEAM

The Gymnastics Team, though a very young and small team this year, pulled through to show their talents on the bars, vault, beam and floor.

Captain of the team, Junior Jina Kim says, "Even though the team is small and inexperienced we all manage to have a good time and do our best in the meets." Jina is very unique to the team because she participates in not only one event for the meet, she does the vault, floor, beam, and her favorite—the bars!

The team practices five days a week and on weekends with Coach Jane Kelly and Assistant Coach Eric Kim who both have previously been in gymnastics. Mrs. Cronin sponsors the meets which are held twice a week.

The varsity swim and dive team started their year practicing in early November. Even though a small team, the returning swimmers plus freshman and new swimmers made their best efforts to have a great and fun season.

The position of head coach was filled by Jim Koellher. The team enjoyed Jim as a coach even though he had harder workouts plus weight-lifting on Monday, Wednesday and Friday after practice to strengthen arm and leg muscles for competition.

These efforts paid off when the team showed much improvement in their times and the winning of their first two meets.

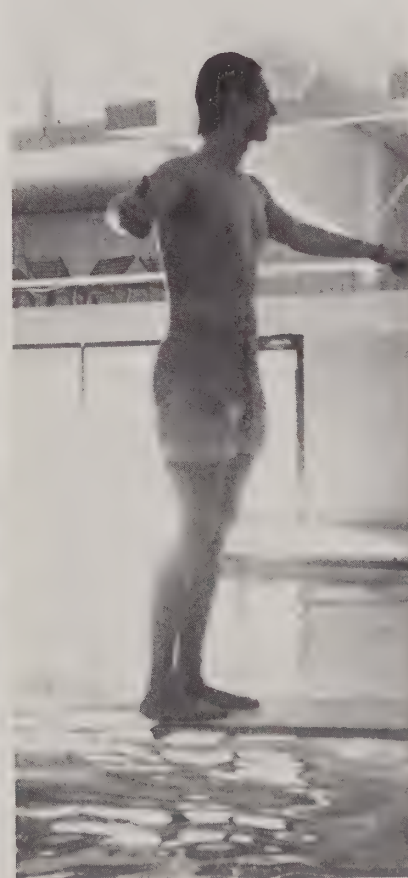

Congratulations to the six seniors who swam all four years for Falls Church: Matt Bragaw, Heather Cain, Gary Kriebel, Dan Larow, Jeff Schilling, and Jeanne Underhill.

HIGH ENERGY

The boys varsity basketball team had a fluctuating season this year. With all of its ups and downs the team definitely had its strong and weak points. The ten players, under the coaching of Pat Dolan, overall had a good season.

Supporting the team was Dave Gowdy, the team's manager, and P.J. Kelly and Ian Salvary, the two captains.

According to Coach Dolan, their success was primarily due to a lot of team effort. While the main weak point was their small size, they more than made up for it through their quickness, pressing defenses, and quick

and efficient passing to open players.

Coach Dolan was proud of the good sportsmanship shown by the team and felt they have a lot of potential. His recommendation for those aspiring to join the team next year is to stay active. Summer camps and intramurals are just a few of the activities that could be used to build and improve skills.

The boys' varsity basketball team is busy making plans for an even better year. They hope to increase their size, continue to build and sharpen their skills, and maintain their good sportsmanship record.

SHOOTING FOR TEAMWORK

The J.V. Boys Basketball team worked hard to use their individual skills and talents to play as a team. Teamwork was their main goal for the season. Every player's contribution made up each game's outcome. Each player set self expectations for themselves, and the team set group expectations. To improve skills and work up to Varsity level was another important goal.

Coach Wojciechowski felt strongly about the team's performance and not each

player's. "We win and lose together, it's not an individual," commented Coach Wojciechowski. He also felt that the team had a lot of individual talent which needed to be molded to help the team. The team bond, which gives the team confidence and morale, always takes time to develop. Coach Wojciechowski hoped that his team would develop that bond and mature in basketball and as individuals.

NEW COACH, BIG HOPES

David Motes, a ninth and tenth grade English teacher, was the new boys freshman basketball coach. He has never had a coaching job prior to this one, but has always played and enjoyed basketball.

This years freshmen team's goals for the season were to develop unity, to learn styles of self-improvement, and to emphasize teamwork. Coach Motes felt that their 'main' goal was to teach the players to devel-

ops ways to succeed at every aspect of school, both academically and physically. The team had an average of 5'11", a high average for a freshman team. On top of being a tall team, they also had good rebounding skills and good inside players.

When asked if there was anything special about the team, Coach Motes replied, "Yes, we have big feet. In fact we have bigger feet than any team in all of Northern Virginia."

GIRLS VARSITY BASKETBALL

AIMING HIGH

This year's Lady Jags endured a difficult season. Although they got off to a slow start, the girls kept their enthusiasm and worked hard. The team this year had very little varsity experience; however, new coach Steve Gutekunst is optimistic about the potential of the team. He states, "If the underclassmen work hard in the off-season, the team could show great improvement next year and possibly challenge for the Potomac

District title."

This year, the captains were Marla Banks and Lisa Karwois. The team's leading performers were: Rebecca Graham, the team's leading rebounder; Marla Banks, the Jag's point guard and first to assist; and Jackie Cannon, their leading scorer, first in steals and this year's most valuable player. The team also had help throughout the season from assistant coach, Mark Holmes.

JV GIRLS' BASKETBALL

The 1986-1987 Girls' Junior-Varsity Basketball team played through a tough season this year. However, through teamwork and strong effort, the girls did rather well. This year's coach was Steve Mountcastle. This is his first year coaching a girls' team. He said, "This is my first Girls' Basketball team, and they work as hard as any boys' team I have worked

with."

This year's Junior Varsity lineup included Lori Pocock who lead the team in scoring and rebounds, Jackie Holley who lead in assists, and Maria Matus who is a strong player on the defense.

These rising Varsity players will be a positive aspect for the Girls' Varsity Basketball team next year.

FACULTY TAKES ON D-JAY'S

On Wednesday, March 4th, the Falls Church High School Jaguar Faculty Team played a challenging game of basketball against the B-106 "Shooters", a team of radio personalities. After an exciting first half, the Shooters lead the Jags 27-19. But after an impromptu halftime performance by enthusiastic fans, the Jags got back on their feet and came back to win the game 52-48. The team members were having a good time joking and laughing with the Shooters as well as the audi-

ence. The winning Faculty Team consisted of: Kelly Cronin, Marion Singley, Brenda Byrd, Linda Evans, Linda Jones, Zoe Dillard, Karen Weeks, Pat Dolan, John Whitney, Bob Margrave, Ed Ryan, Jim Mueller, John Morris, Dudley Johnson, Steve Gutekunst, Mark Holmes, David Motes, Stephen Wojciechowski, Tim Panagos, Larry Kugler, John Woodson, Jim Thorpe, John Hollowell, and Bruce Guenther. The ticket sales went to the F.C.H.S. Booster Club.

FOR THE FUN OF IT

The Falls Church Varsity Golf Team ended its season with a 4-4 record, the best showing by the team in years. The team was led this year by John Giger, a Junior who attended Bishop O'Connell last year. Other members of the team were: Seniors, Rich Coupland, Steve Byrd, John Bibb, Jeff Taylor, and Marc Topacio. Junior members were John Giger and Dennis Willard and the Sophomore member was Pat Conolly.

The team was off to a good start as the season began with a lot of its former players and new members. Their morale was high as they won against McLean to start off on the right foot. At the end of the regular season, Falls Church played its best match to beat the Fairfax Rebels who were undefeated and forced them to finish with that as their only loss.

As a team, the Jaguars went on to place fifth in the District Tournament with John Giger going on to qualify and play at the Regional Tournament. Coach Dolan, Varsity coach, summed up the season by saying, "We lost a few that we should have won, but we played some good golf, and it was definitely one of the better seasons I've coached." Senior tri-captains this year were Rich Coupland, Steve Byrd, and Jeff Taylor.

TRACK

The Outdoor track team did very well breaking two records and sending some people to Districts and Regionals. The two new records were in the mile relay with a time of 4:23 and the 400 relay with a time of 43.6. Darryl Shipman, Charlie Tutt, Glen Peterson, Theadius Love, Dionne Sharp, all made the District and Regional Meets. Ben Pettis and David Saunders both did very well running long distance. Team captains were Darryl Shipman and Dionne Sharp.

BATTER UP!

The 1986 Varsity Baseball team started out strong with several key wins over District opponents. The team showed real promise with an almost all senior starting line up. Good pitching by several players helped to bring a winning season. "We did well on the mound," said pitcher Alan Schwerdtfeger. The Jags did well at bat, too, setting several home run records early in the year. The 1987 season will be a building season for the Jags with many positions to be filled. "Next year, with a little hard work and determination we can bring a District Championship to Falls Church," said Letterman David Edwards.

Two Varsity Cheerleaders were injured and could not participate in all the fun at Hampden-Sydney Cheerleading camp, but they were right along with the squad everywhere they went. That's what you call SPIRIT!

A victory celebration! The varsity cheerleaders celebrate after the ICF camp awards ceremony with ribbons and spirit stick in hand.

J.V. Cheerleaders take a brief intermission from learning loads of new cheers at camp.

Excitement and fatigue all mixed up in one is a good definition of cheerleading camp and the F.C. Freshmen cheerleaders as well.

Part of being a F.C. cheerleader is being a part of our "family." All cheerleaders are welcomed with open arms and better yet, FOOD.

THE POWER OF SHEER ENERGY

Yes, students! Cheerleading is now considered a sport here at Falls Church High School. This is so because they put as much time into practicing and performing as do any other sport - - and more! Cheerleaders are people for the entire school to count on - and they count on the school. To keep all of this running smoothly, they have two sponsors: Miss Sue Scott and Mrs. Linda Evans. They've done a terrific job - and what a job it is!

"The sparkle and shine of these cheerleaders is not only present during the games, but also throughout the year," commented Miss Scott. At camp, in fact, the cheerleaders won the Sparkle and Shine award along with others such as: Outstanding Jumps & Stunts, Great Cheer Execution, Outstanding Improvement, 110%, and GRAND CHAMP FINALIST.

Junior, Kim Phillips said,

"The cheerleaders here at F.C. have shown a lot of enthusiasm and have inflicted their excitement upon the Jaguar fans." Varsity football player, David Childress, was also noted saying, "I think it's great to have them there to build morale for the school and the team. It also gets your adrenaline flowing." Obviously, the spirit here at F.C. has risen considerably, perhaps not to an all-time high but enough to make some people stand up and take notice. Here to see that change were the 4-year cheerleaders: Melissa Morreale (co-captain), Veronica Jones, and Mia Pavitt. Sandee Sherman, senior cheerleader and captain of the Varsity squad said, "Cheerleading has really made the last 3 years of my life more fun and has given me incredible school spirit. Being Varsity captain this past year, I felt, was a great honor. I will miss all of this."

Frosh Cheerleader, Sara Dickerson, shows that a super smile is required at all times here at F.C.

The 1986 - 87 Jaguar Yearbook was put together in a new way; having a new sponsor, going to summer camp, intense fundraising, and making deadlines on time. The yearbook staff made sure that this year's yearbook would please everyone with new members and a new sponsor to help out.

Mrs. Henderson, who also taught World Geography, was the new sponsor this year. Her excellent effort to make deadlines kept the staff on their toes.

Over the summer, Mrs. Henderson and six members of the staff went to a yearbook camp at UVA. Other members of the staff were then taught what was learned: layout drawing, copy writing, editing, photo developing, and many other things.

Twenty - one members took yearbook as a class and another twenty participated in yearbook as an afterschool club. The members' goal this year was to put together a better yearbook.

This year the members of the Jaguar Journal put forth their personal effort to give us the news of Falls Church. They did this in a new and improved style. Layouts were done with a new graphic design; along with this more pages were added to each issue. This new style was the result of a new sponsor, Mrs. Bouchard. Last year Mrs. Bouchard taught English 11. The cover of the new journal showed the change. The cartoons were gone and a new look was added.

The editors this year were Jeff Reiser and Julie Lusick. The staff consisted of 18 members. One member, Jill Hanbury, expressed what she thought the journal did for our school: "It keeps the student body in shape." Other members felt that the journal was the best source of information the students had and that if it were not for the Journal no one would know of the current happenings in Falls Church.

Civitan Officers: Joanne Alexis, Robin Smith, Julie Honore, Alice Su Amy Callen, Tara Knott, Ukyong Hwang, Bivan Patnaik, Amanda Becker, Danielle Dugan.

The Civitans are a service for the school and community. Their many various projects throughout the year were fun and worthwhile. The officers were: President Joanne Alexis, Vice President Robin Smith, Secretary Julie Honore, Co-Secretary Heather Cain, Treasurer Alice Su, and Sergeant at Arms Amy Callen.

Because of an increase of members from last year, the Civitans had high expectations. They held their annual blood drive with the Red Cross. This vital project let Falls Church show their concern for the community's health. The members also helped out community children at Timberlane Elementary and at The Kilmer Center.

This year's Civitan Convention was held at the same place as in the past years, Ocean City. At the convention, members of The Falls Church Civitans got to meet members from all the other area high schools. They attended meetings and had fun in the sun.

Members of the Civitans are: Eric Purvis, Sharon Purvis, Amy Cox, Stacey Stevenson, Diana Desmarais, John Kelly, Kristen Tate, David Gowdey, Jennifer Little, Cristel Bumbara, Barbra Hale, Deanna Claussen, Emily Ropp, Kristi Pope, Christi Yohler, Debbie Gold, Tammy Cakouros, Carey Mackey, Nirvana Diab, Samantha Walsch, April Armstrong, Susie Cimaglia, Jasmine Roohani, Jennifer Rey, Melissa Debrow, Melissa Farley, Jenny Hummel, Lindsay Gardner, Tara Knott, Amy Callen, Alice Su, Robin Smith, Joanne Alexis, Julie Honore, Danielle Dugan, Bivan Patnaik, Amanda Becker, Ukyong Hwang.

The Key Club is a Kiwanis sponsored organization at the high school level whose goal each year is to serve the school and community. The Key Club helped out the school this year by cleaning and painting the football field. The officers were: President Tom Christ, Vice President Renee Menefee, Secretary Guy Hart, and Treasurer Drew Borden. There were about forty Key Club members. Mrs. Sandy Jones was the sponsor. The Key Club members attended a Key Club Convention in Virginia Beach.

This past year, President Tom Christ wanted to do the most worthwhile and helpful projects. The little things that the Key Club members have done really made a difference.

Tom Christ, President, devotes his extra time to participate in Key Club. Do we really have that much junk under our bleachers?

KEY CLUB

HONOR SOCIETY SPANISH H.S.

What exactly is the National Spanish Honor Society? That was the question that first came to my mind when I heard of the NSHS. As put to me by Mrs. Fitzgerald, the sponsor, it is a club for teens at FCHS who study Spanish and have a deep interest in the Hispanic Culture. The NSHS has been active here at Falls Church since 1965, but due to work-to-the-rule, last year it wasn't very active.

Approximately 15 new members were inducted in November 1986 to add to the 15 or so other members. To become a member you have to get straight A's in Spanish I, no lower than a B+ average in Spanish II, then after your 1st quarter of Spanish III you can become a member.

The National Spanish Honor Society meets about once a month. They participate, with other area schools, in International Night and frequently go out to eat at Hispanic type restaurants. "The NSHS has a lot of fun times" commented last years president.

SCHOOL

Members Include: Paul Baker, Joe Cheriathundam, Debbie Gold, Gigi Conzaes, Jim Harrison, Rita Kim, Sun Hee Kim, Sonya Mathal, Susan Southworth, Kevin Vandergrift, Tracy Willis, Teresa Yang.

Election to membership in the National Honor Society represents the highest honor and trust that can be bestowed upon a Falls Church High School student. The members are students who have received recognition for outstanding Scholarship, Character, Leadership and Service. Students are invited to apply by sponsors Mrs. Clare Jayne and Mrs. Barbara Bruns if their GPA is 3.5 or better. Each candidate must present evidence of his or her qualifications in the field of Leadership, Character, and Service. Inductions are held in the fall and again in the spring.

Members enjoy discussing different colleges and the planned field trip to Washington D.C.

National Honor Society members are: Chris Johnson, Tom Christ, Calvin Schneider, Chris Leishear, Josh Phillips, Steve Eisele, Valerie Schrade, Jeff Reiser, Nirvana Diab, Kevin Vandergrift, Robert Fisher, Joey Cardoza, Shapur Adboldasher, Grace Lillevig, Sunny Kim, Ajija Biradar,

It's Academic Team: Tom Christ, David Lenard (captain), Tricia Chu and Bob Margrave (sponsor)

It's Academic is a show I've watched since I was young. I've always dreamed about being on television and getting all the answers right. I know the show only allows high school students to participate and if I don't hurry, I'll soon be out of FCHS. I contacted the advisor Mr. Robert Margrave who told me all I needed to do was attend tryouts.

After attending several practices, which consist of watching videos from previous shows, I soon found that other students knew more of the answers than I did. Therefore, wanting my school to do its best, I was content to sit and watch the telecast from my living room. I was sorry to see that the Jags did not come home victorious.

Later, I ran into Mr. Margrave who commented "They were robbed." "I thought they put up a good fight and could have easily won." Well, better luck next year.

STUDENT GOV'T

What makes activities run so smoothly at FCHS? One major reason is Student Government. The purpose of SG is to coordinate activities with other organizations in the school. This is a large responsibility for the four executive officers and the sponsor John Woodson. The officers are President- Rich Coupland, Vice President of Curricular Affairs- Kelly Richmond, Vice President of Extra-Curricular Affairs- Marla Banks, Secretary/Treasurer- Yu-Sik Kim. SG also holds all major elections and helps provide leadership training for many students. The major goal of SG is to get better organized and have better follow-thru. "We would like students to be aware that they can help improve our school not only for themselves but for the future classes," commented John Woodson.

This year the Magazine Drive sponsored by SG brought in \$3,600 for the school. This money will be divided into the various classes and school organizations that participated.

Two other major events sponsored by SG are Homecoming and Sweetheart Dances. The extreme cost of these activities make it impossible for other organizations to undertake. Student Government identifies areas of concern and with the help of the legislature work toward a solution.

The Student Advisory Council is a group of students who meet together at an area level and a county level to discuss school issues. Issues such as overcrowded schools, and parent/student stress are discussed at the area meetings. At the county level, they meet every

month and discuss issues such as the C-average rule and seat belts in school bus. After discussing the issues, they research them and then report their findings to the school and the superintendent.

Legislators are the working body of the student government and

classes. There are five student legislators from each class. They attend both the class meetings and student government meetings. They contribute ideas for improvements and serve on special committees. By doing so, they help develop a working plan for the whole school year.

FRENCH CLUB **SPANISH CLUB**

The French Club is a great way to make new friends here at FCHS. You get to know each and every member of the club. With the support of all 22 members, we have made this year the best ever. With our future goals and newer ideas, we have had lots of fun this year.

We started out having a bake sale which was a big success. Everyone came after school and helped out. We also had fun making a few French dishes in the Home Economic room. We are looking forward to going down to Georgetown in mid-December to to have dinner and to enjoy ourselves.

Our main goal was to raise enough money to go visit Quebec later in the summer. Our sponsor, Mrs. Miskell, and our officers, President-Loan Ly, Vice President Trang Giang, and Treasurer China Hwang met to discuss newer and better ideas.

The Spanish Club of FCHS had a fantastic year going to Spanish restaurants, having a springtime picnic, and enjoying many "fiestas." This club is a lot of fun and is open to anyone, even those who aren't enrolled in Spanish! In order to earn money, a lot of extra activities were held, including the bake sales, a

candy drive and a car wash. The money earned was used for trips to restaurants and ice skating, as well as other "fun" things.

The sponsor this year was Mrs. Fee, and the officers were: Courtney Danner-President; Kevin Vandergrift-Vice President; Lee Avery-Treasurer; and

Wendi Crouch-Secretary. There were about 20 members, but the number kept fluctuating.

The main goal was participation. Without a good amount of student help the club will go nowhere. It's a lot of fun and has many possibilities, so please join next year!

LATIN CLUB

The Latin Club, sponsored by Latin teacher Ms. Welch, competed in competitions called Certamen. Certamen means a contest or struggle. That's exactly what they are. Four people make up a Certamen team. Each team member specialized in one aspect of Latin; history, grammar, mythology, and Roman life. The club met every third week of the month to practice competing. The members who did well at the practices were chosen to be members of the team. Being on the Certamen team was a great honor for Latin students.

FHA HERO

F.H.A. Future Homemakers of America is just what it seems, training young people how to make a good home. This includes cooking, sewing, child care and many other skills needed for proper homemaking. They meet once a month and base their meetings on what is being studied in the Home Economics classes. F.H.A.'s goals are to see students get involved in the community and to help develop leadership.

H.E.R.O. or Home Economics Related Occupations is a smaller part of F.H.A. The difference is that H.E.R.O. concentrates on occupations like becoming a cook for a restaurant rather than cooking at home. Although the National H.E.R.O. club teaches both child care and culinary arts the F.C.H.S. branch specializes in the culinary arts.

The Art National Honor Society was a newly formed group this year. The sponsors were Mrs. Adams and Mrs. Rust. Meetings were held on Wednesdays after school where the members worked on projects such as mat art work, preparing portfolios, and working on service jobs for the school.

The Literary Magazine was founded by Bob Margrave when he first started at Falls Church. He has been sponsoring it ever since. For the past three years, The Literary Magazine Staff members, who volunteered their time, met each week to work on the magazine. Although most of the writings were submitted by students and teachers, the staff had to put together all the layouts and edit all the writings before sending them to be printed. Since the Literary Magazine is a collection of writings from students, the staff made it a point to try to obtain more people's work.

The Literary Magazine staff worked hard to turn out another year's collection of writings.

The Distributive Education Clubs of America (DECA), Falls Church High School chapter is a co-curricular organization within Marketing Education. Fashion Merchandising and General Marketing students are all members. The club's purposes are to develop leadership in marketing, to further career development, and to do service for school community. Projects, field trips, and speakers are all integral parts of the club. Fashion Merchandising students

take several field trips to see and learn all they can about a possible career in fashion. Trips to local malls and shopping centers provide an opportunity for the professionals to speak to the students and show them exactly what is involved in

merchandising, sales promotion, advertising, customer services, and other marketing skills. Georgetown Park, White Flint, Metro Center, Washington as well as New York are some of the trips taken. Competitive marketing events with

all Fairfax County Public Schools are held at the District level at Springfield Mall in January. Winners then advance to the state competition. Fashion shows and service projects for children are sponsored by DECA.

Have you ever wondered what goes on at a Math Meet? Well, here's your chance to find out! Try this math problem.

Find all real values of k for which the roots of $k^2 x^2 - kx + 1 = 0$ are unequal real numbers.

Answer: Discriminant, $b^2 - 4ac = k^2 - 4k^2 = -3k^2 < 0$

Now you know exactly what the members of the math teams here at Falls Church go through at every

meet. There are two levels of Math Meets, County and State. At each meet, there are six math problems, similar to the one you just tried, that the members try to solve. The top scores are sent in and our school's rankings are compared to other schools.

SADD

Substance abuse has become a nationwide problem. One of the most serious problems is drinking and driving. A group of students have gotten together to fight this problem, they call themselves SADD. Students Against Drunk Driving is a national organization that fights people who drink and drive.

Diana Rugh, a sophomore, Amy Hildre, Kelly Richmond, both seniors head SADD. SADD's main goal for the year was to get their point across to the students of FCHS. The slogan they used this year was "CRUZ WITHOUT BOOZE!" Before Christmas and New Year's Eve holidays, SADD passed out propaganda that would help get their point across. Some of the items that they passed out were key chains, buttons, pencils, posters, bumper stickers, etc. all containing the slogan "CRUZ WITHOUT BOOZE!" They did the same thing later on in the year, the week before Prom and Graduation.

Denise Gregory, Erik Bomar, and David Childress set up packets to give FCHS students during Awareness Week.

Amy Hildre discusses SADD's goals for the year.

What is a Thesplan? This is a question that is repeatedly asked by many Falls Church High School students. Well, it's about time that you got an answer.

Thespians are members of a special type of honor society associated with Drama. Becoming a Thesplan is based on a system of points. To qualify you must earn ten. You obtain these points by participating in at least two shows, doing some technical work on a show, and having at least one speaking part in a production. An overall grade point average of 2.0 must be maintained and all classes must be passed. In order to be accepted, applicants must turn in a card listing all of their accomplishments. Upon acceptance, new members must write an essay on why they want to become a Thesplan. They are then invited to an initiation ceremony.

This year's officers were: Toni Randall-President, Ramin Ackert-Vice President, Marie Underhill-Secretary, Kevin Van-

dergrift-Treasurer, Christian Faulkner-Historian, and Thanh Lee-Scribe. Despite the fact that ten to twenty members are inducted yearly, this year's Thespians were a small group. Their numbers may be few, but President Toni Randall believes, "Thespians is made up of a unique group of people, where everyone is accepted for who they are."

This year Thespians sponsored refreshments for the school plays, organized the Fairfax County Theater Arts Workshop held in September, and at-

tended the State Thespian Conference in November. Thespians don't meet regularly, but whenever it is convenient for those involved.

Now that you know what a Thesplan is, maybe you too, are one of those people who wish to share their passion for Drama!

DRAMA

"Gawd!" exclaimed Dr. Lyman as he along with 7 other characters, shared the spotlight as the Drama Department presented Falls Church High's first play on October 24, 1986. The director, Mrs. Dillard, expressed, "I was very sure that it was going to be a real good show."

Bus Stop, was set in Grace's Diner near Kansas City. Bo Decker had a quarrel with Cherie because she didnt want to marry him and go to Montana. He had a fist fight with Sheriff Will Masters, too. Bo apologized to Cherie; they kissed and made up. Virgil Blessing, Bo's long time buddy, decided he shouldn't tag along with the soon-to-be newlywed couple. Bo Decker may have gained a wife, but lost a friend.

All the actors enjoyed be-

ing in the play. Senior John Snyder joked, "I would have liked to play Cherie because she's funny." With 14 years of acting, senior Steve Hodgson felt his character had lots of energy." 6'8½ Freshman Matt Waldeck said, "acting allows a person to bring out the other character in them." The other actors were: Didem Turker, Toni Randall, Tina Culter, Darren House, and Ramin Ackert.

The audience's favorite character was Dr. Lyman because of his awkward walk, fumbling speech, hilarious actions, and repeated shouts of "Gawd!" Junior Nancy Hoang hoped that there were more different scenes with different settings. Senior Jon Edminston liked the play and thought, "It had a lot of symbolism."

The last drama production of the 1986-87 school year was the "West Side Story." The play was directed by Mrs. Zoe Dillard. Her assistant directors were Toni Randall and Marie Underhill.

The Falls Church Drama Department put a great deal of time and effort to make the play a huge success. The play was based on Shakespeare's, Romeo and Juliet in the modernized version. The theme evolved around two gangs, the Sharks, and the Jets, who were constantly feuding.

The cast consisted of: The Sharks - Kevin Vandergrift (Bernardo), Steve Savich (Chino), Denna Miller (Anita), Lisa Edwards (Maria), Caroline Reich (Rosalia), Cindy Southworth (Consuelo), Jay Miles (Pepe), Jon Edminston (Indio); The Jets - John Carrera (Riff), Ramin Ackert (Tony), Robert Fisher (Snowboy), Chris Gilbo (A-rab), John Daley (Baby John), Didem Turker (Anybodys), Marie Underhill (Velma), Sandy Haynes (Graziella).

BAND

The Championship Falls Church High School Band ended its fall season with a first place showing at Cary Band Day, in Cary, North Carolina, this past November. The contest reflected the months of hard work and dedication of all the members of the band, their director, Charles Hiebert, and their families. Band practice for the fall season

actually began for some sections in July and was in full swing by August. The culminating event for the summer practice season was the annual Orkney Springs Band Camp in Orkney Springs, Virginia. This year marked the 25th consecutive year that the band has gone to "Orkney", a beautiful spot in the Shenandoah Valley, where the band not only

makes music but also forms lasting friendships. The late fall, winter and early spring months find the band hard at work on concert music. A major event for the symphonic band is the annual District Festival performance in March. Last year the band received a rating of "1" (the highest possible score) at the Festival for the first time in several years.

The Falls Church Band has been a symbol of quality here at Falls Church and in our school community for many years. To the individual band member, the band is also a symbol of personal pride in one's contribution to the group's efforts. Overcoming frustrations, working for the good of the organization, pursuing excellence in performance -- all of these skills and attitudes carry over into "Life after High School" for band members. Band Alumni report that the high point of visitors home from college, etc., remains the opportunity to see and hear "The Band".

Band players must have enough dedication to practice in the afternoon heat.

CHOIR

I'm looking for quality not quantity", explained Mrs. Vagonos, the choir teacher. However, she commented that, "we are definitely growing", due to the fact that her classes this year were larger than the ones in her previous years.

There were two classes of choir; the Concert

Choir, and the Swing Choir. The Concert Choir, which was during second period and consisted of twenty-five students, sang a variety of music. While the Swing Choir, which consisted of eight girls and was during third period, sang music from the twenties, thirties, and forties.

They also dance and perform with the stage band.

Some of the activities that the choir participated in this year were; the Winter Concert, on December 15, the All-County Choir, and the District Choir. They also went to special concerts in which they did not participate.

It takes a special kind of person to take orchestra as a class. A talented person who is really interested in mastering the art of strings. For some people it just comes easy. As Marcos Catalan put it, "It's the easiest 'A' I've ever earned."

The main goal for the orchestra class is to provide good melodious music for

the school and community. This spring Ms. Mostrom is taking the nine students to Philadelphia, Pennsylvania. They went on their yearly trip to James Madison University and to various retirement communities. The class also goes on various field trips centered around their interest in orchestra.

The one improvement

Ms. Mostrom would like to see is more participants. At one time there were twenty-five students. Now there are only nine. "I want a big orchestra, twenty people and five cellos," stated Mary Proffitt.

Where are all the talented strings players? Go see Ms. Mostrom in the orchestra room!

VOCATIONAL

Restaurant Trades 1 & 2

This course is a double-period course with classroom instruction in restaurant, catering, and bake shop experiences. A faculty lunch was prepared each Wednesday and baked goods were available each Friday. The class prepared a 16-foot hoagie for this year's homecoming. Also, they prepared an array of special foods, including appetizers and desserts, for the Self Study Group which was at Falls Church for four days.

Gourmet Foods

This course allows students to increase skills in preparing individual dishes and meals with a gourmet flair. On a field trip this year, the class went Apple picking and used the apples afterwards for jam, jelly and apple dishes.

Home Economics 1

This course offers the basic skills in food preparation, clothes construction, and interior design.

Child Development

This course enables students to identify the sequential growth patterns of young

children and the importance of the family to the life of the child. This course also conducted a mini-nursery school for 3-5 year olds to gain "hands-on" experience for students. They also visited the Fairfax Hospital for a tour of the maternity ward and nursery and talks on birthing.

Peer Counseling

Peer Counselors helped their fellow students to solve problems by exploring alternatives and by discovering their potential as individuals. This program takes advantage of the position of influence young people can have on one another for healthy changes in behavior and attitude. Peer counselors have conducted a mini-course to help elementary students to develop positive self attitudes and awareness.

Dyanna McAlpine is one of Kim Allen's victims as she learns cosmetology.

A LITTLE BIT HAIR, A LITTLE BIT THERE.

Are you one of the few people who have noticed if a teacher of your's comes to class with their hair cut shorter or styled differently than when you first saw them earlier in the day? If so, and you haven't figured out why or how, than it is about time that you learned about COSMETOLOGY.

Cosmetology is not only a vocational course but it is also a full service salon. Students offer salon services ranging from manicures to perms and hair coloring. The prices for these services are almost ridiculously low and few teachers and students take advantage of them.

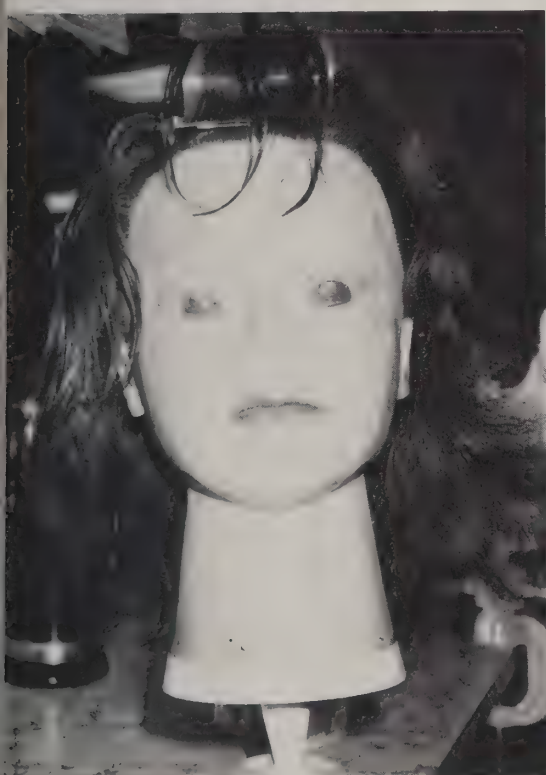

What exactly goes on in cosmetology? First of all, the class lasts for three hours and the time is divided into classroom instruction and salon instruction. Classroom instruction covers theory and the human anatomy, which is important when giving facials to know the different facial muscles. Once the students have learned what needs to be done in the salon, they go and practice to perfect their newly learned skill.

A student is graded on their work habits, attendance, how well they perform their practical skills, and most importantly their attitude. Who would want a grouchy or sloppy beautician cutting their hair?

Cosmetology is the basis which prepares students for the state board. If they pass the state board test, finding a job is easier than it would seem since jobs are readily available. Being in this course does not mean the only option is to work in a salon since there is a big market in the beauty manufacturing field.

For example, the course instructor, Ms. Syphax, has taught cosmetology for five years in Fairfax County but her second career is as a hair coloring consultant for Clairol.

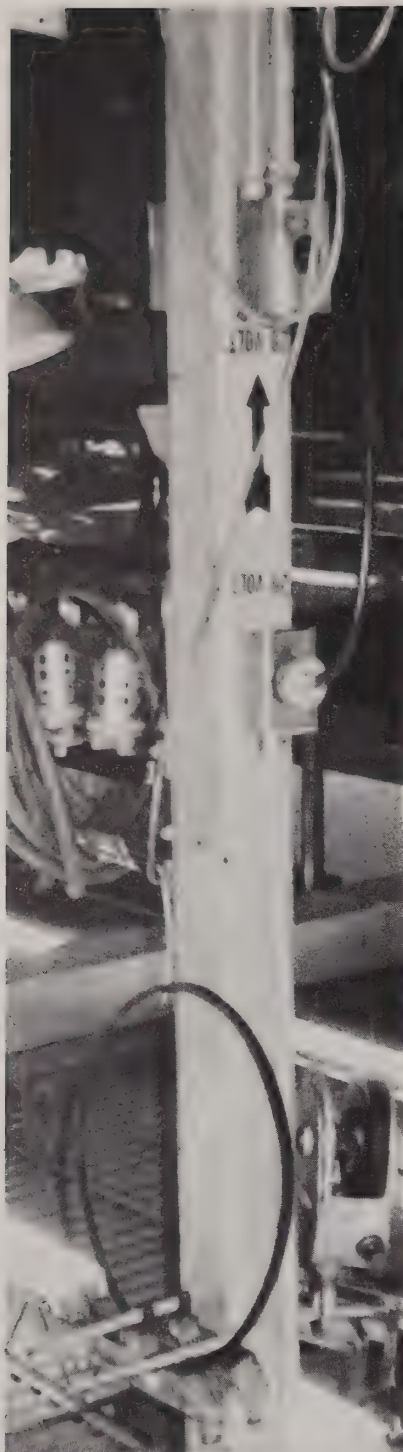

So if you ever need your hair trimmed or permed or feel like having your nails done, take advantage next time of our in-school salon. One day in the very near future you may walk into a salon and find a former Falls Church cosmetology student working there and learn that the price she is charging is definitely higher than the few dollars you could have paid in school!

AUTO-MECHANICS

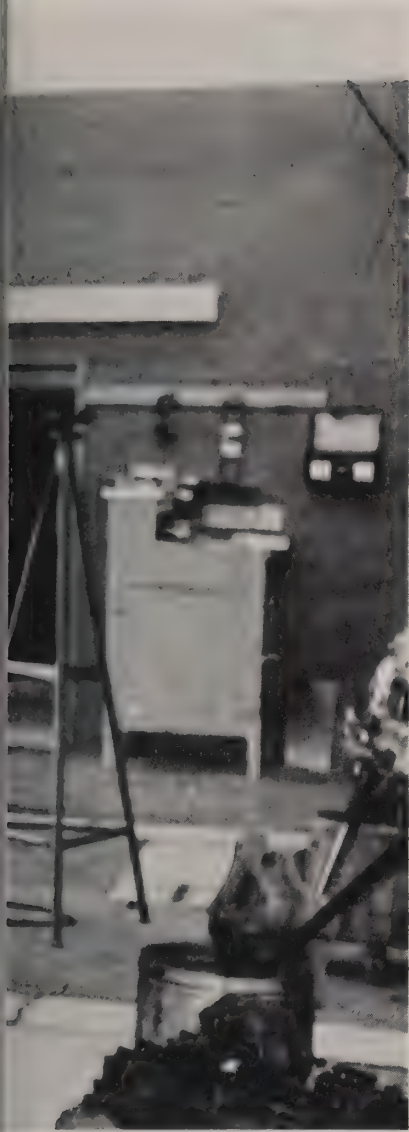

Auto-Mechanics, a three period class, was only available to Juniors and Seniors this past year. However, next year a one period class will be offered to any interested Sophomores. The class is worth three credits, and there were a total of twenty-five students that were enrolled in this class this past year.

Joel Rosen, the instructor of Auto-Mechanics, uses the donated cars for teaching demonstrations and display. After he is finished using the cars, they are hauled away. The students, on the other hand, work on customers cars, not the donat-

ed cars. The students in Auto-Mechanics work on customers cars for a \$2.00 service charge plus the retail price of the parts used. The money that is received goes toward Auto-Mechanics, the students don't get any of the money.

An average day in Auto-Mechanics is as follows: for the first 15 to 20 minutes the teacher instructs the class, then the class breaks up into small groups of two to three people and they work on customers cars. The last 15 to 20 minutes are spent cleaning up the shop room.

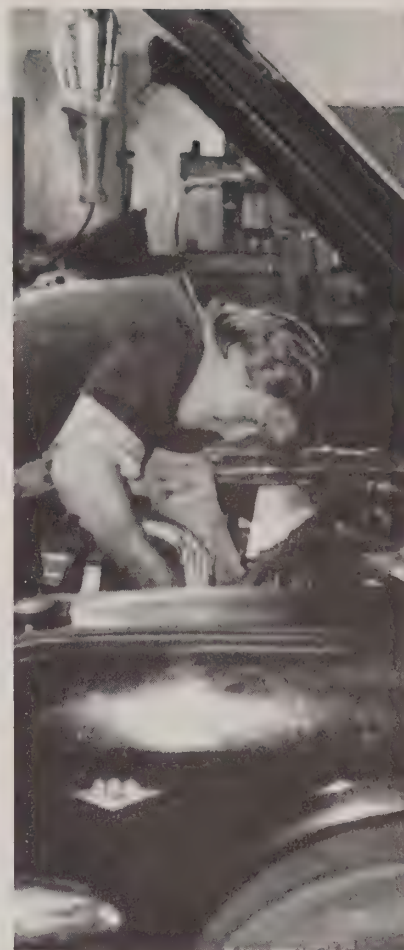

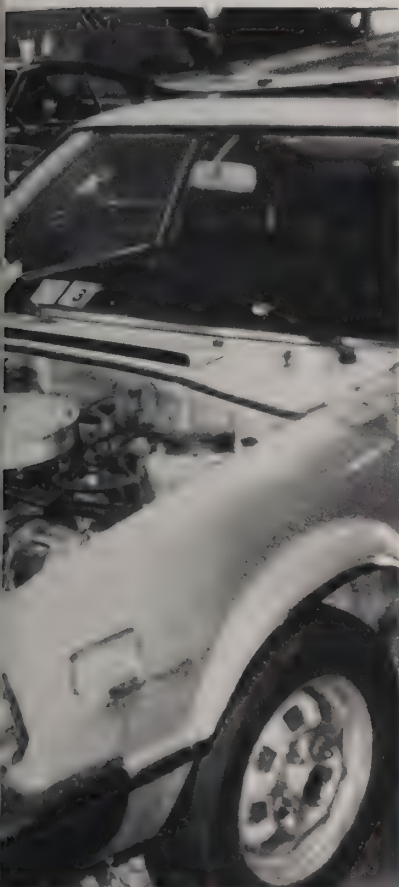

Let's hope this is the donated car that's going to be destroyed. It's missing just a few parts.

My engines clean, how about yours?

If your mechanic doesn't work as hard as this student, you need to change to FCHS Auto Mechanics.

TAKING CARE OF BUSINESS

In FCHS Business Courses are becoming more and more popular each year. Of the many selections that are offered Business Data Processing I and II, Accounting I and II, and Typing I and II are the most popular.

In Business Data Processing I you learn the Basic language of the computer. Through the year the students were taught to write a program, process it, and the proceed to debug it. Then they had a program with computed data. B.D.P. is almost necessary these days because everything revolves around computers. B.D.P. II is almost the same but its more complex and you learn Wordstar and Cobol language.

Although Accounting may be an older course, it's one of the most popular. Accounting I and II teach you how to manage and budget

money in todays business world. Examples of what you learn are how to do taxes, capital stacks, assets, and liabilities in order to manage business money as well as your own. If you want to become an Accountant this is the class for you.

Typing is a necessity in life and probably the most popular course at FCHS. It helps you with papers and it helps you type in programs faster for your computer classes. Most teachers will say if you don't take typing you won't get far in the business world.

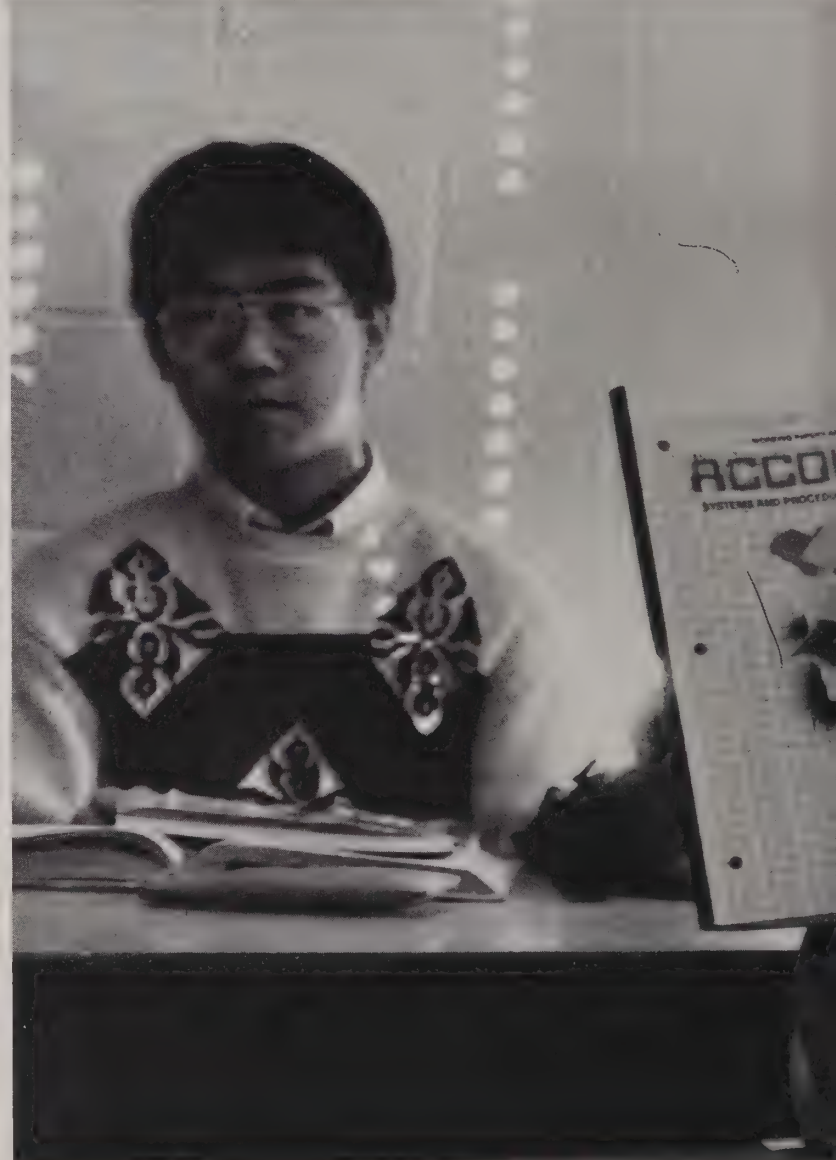

FCHS offers many other courses such as C.O.E., Introduction to Business, Business Law and Management, and coming up-Keyboarding. If you haven't signed up for one of these classes look into one, you never know you might like one of them.

HISTORY IN THE MAKING

"History in the Making"

The American Civilization Club is made up of the 1st, 2nd, 4th, and 5th period class members of the American Civilization course. All of the students are actually given the chance to be a part of the planning of class activities and trips. The main objective of the club is to "foster interest in American Civilization and raise money for class activities beyond the funds budgeted by the school."

This past November the class organized a trip to Gettysburg, in which each student walked in the footsteps of a famous Civil War figure. They were also required to write a poem about the war through that person's eyes. All of the poems were put together in a book, which every student or member will receive. Another publication put together by the club was a booklet of essays on Jackson entitled, "The Man, the Myth, the Monarch."

In the future, the class is going to be planning a trip in which the students can make a choice on exactly where they want to go. All of the choices given will be decided by the members themselves, and will, of course, pertain to History!

If all of this sounds exciting and fun, then why not talk to your counselor about being a part of next year's American Civilization class. It gives a chance for you to meet many new challenges and be a part of something that is academically beneficial to you.

"You're joking", commented Mr. Bell, "you didn't wire positive to positive."

You really think those electronic devices will crack the locks?

CHIPS ANYONE?

This robot is the electronics classes "HERO".

Are you one of those people who is less than thrilled with the idea of taking electronics? If so, think again. Most students aren't aware of what goes on in the electronics classroom and what the course covers. We interviewed Mr. Bell, and some of his sixth period students to uncover the facts.

When starting out in electronics, students learn the basics: how computers work, designing circuits, and how to program microprocessors. There are also two robots which students learn to program. But, just like in any other class, electronics students are quizzed and tested on information and must complete lab work which includes a minimal amount of math. If you're worried about the competition, don't be. Mr. Bell assures students who are interested that, "No one knows much of anything in the beginning so therefore students have an equal opportunity to understand and be successful."

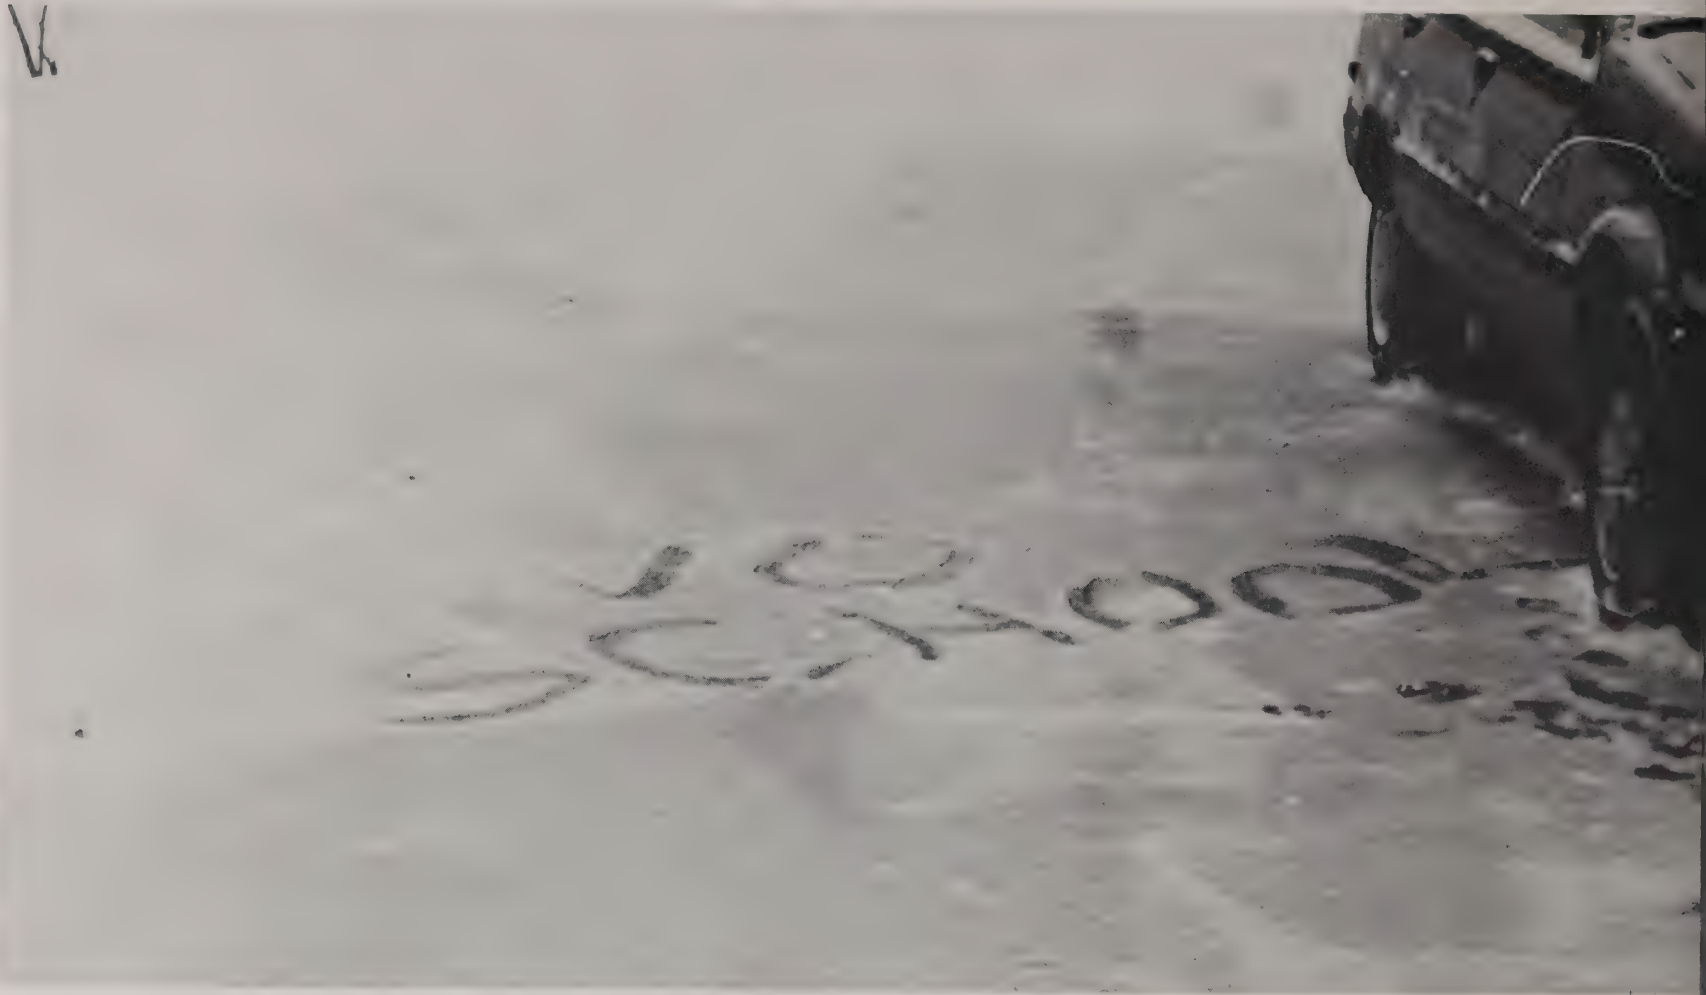

One thing we found rather odd about the class was its lack of female members. We're not quite sure why this is but Teresa Yang, the only girl in the sixth period class, seems to think, "Electronics is just another one of those things that is stereotyped, like auto mechanics!" Well girls, get out there! There are some good paying jobs which are in demand that branch out from electronics such as technicians and electrical engineers.

CHOICE

SNO DAZE

On January 21, the whole Washington area was hit with a massive snow storm. As a result, kids in Fairfax County got an extra ten day vacation. If you asked anyone what they did over our "Winter Vacation II" 95% of their answers would be - slept!

Anita Carshult said, "Sleeping was better than getting up and going to school." For some of the more active Jaguars, snow was a welcome chance to spend time with their friends. Juniors Adam Davis and Sara Hajar had an "awesome time sledding" and wanted to do more bumper riding.

However, all was not fun and games. With all that snow dumped on us (up to 2 feet!) there was a lot of work to be done. "Most of the time I shoveled snow," commented April Armstrong. Too bad we can't enjoy these winter days, so graciously tacked on to the end of school, in June!

One of the rarest sights around 7:30 a.m. on a week-day; no buses!

WHO'S GOT MORE?

Everyone looks forward to pep rallies. There is a feeling of school spirit everywhere. This years most memorable pep rally was for Homecoming. The cheerleaders dressed up like football players and the football players squeezed themselves into cheerleading uniforms. The reaction was great and the student participation was incredible. According to Mrs. Scott the Homecoming pep rally was the best since the 1976 Football Tournament. All together the pep rallies this year were a great success.

Yo! Coach! I think a Large is too big for me.

Hey folks, I could use a little "support" out here!

A DIFFERENT VIEWPOINT

AND A NEW WAY OF LIFE

Students from different countries make up a large part of our school. Many do not choose to come here but must because of politics or other conflicts in their countries. Falls Church has special classes for these students, such as English and government.

When asked what problems they have with our language, one freshman student from Vietnam, Thi Quach, exclaimed, "My biggest problem is grammar." Another ninth grader from Vietnam replied, "I have trouble speaking the language."

After being asked how our school compares with schools in different

countries, Carlos Jemio replied, "Girls and boys go to the same school here," while Thi Quach commented, "School is better in this country."

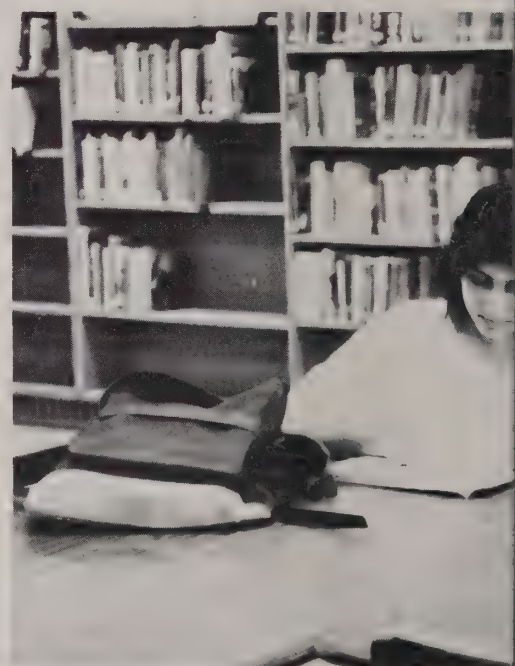

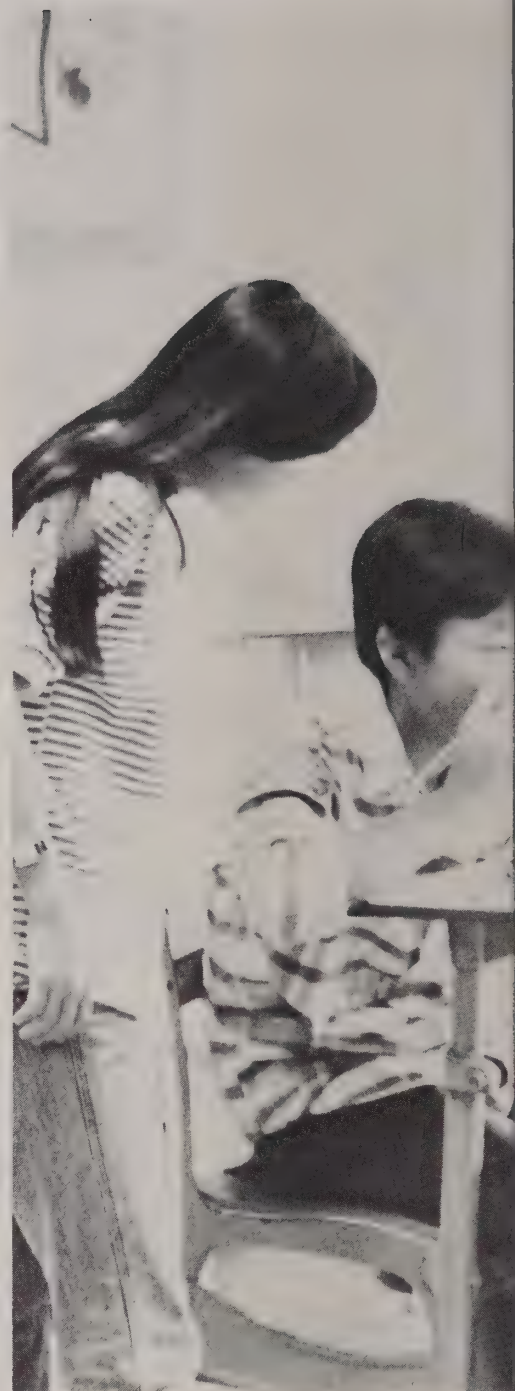

Sometimes we take for granted what we have in America. What we find normal and everyday, newcomers may view as new and exciting. What are their favorite things about America? Freshman Aracely Chilejo replied, "I like the movies!" Sory Chons said, "There are so many shopping centers!" On the whole, these students enjoy America but miss their friends, relatives and customs.

JOBS

THE WORKING CLASS

When you get into Falls Church High School, you often find that outside-school-activities are usually out of the question. Usually, this is the case because of an after-school job which beckons. But why get a job? Said one junior, "... to pay the insurance for my car." And senior Josh Phillips put it bluntly, "I needed the money!"

Working often means working for three or four hours after school on designated days. Junior Susan Wyman who works at

Woodward and Lothrop works sixteen hours a week and on weekends. "It takes a lot away from your free time," commented Susan. No matter how much time it takes away, people get jobs. But not necessarily because they like their jobs. When asked whether he liked his job or not, junior Henry Cho merely laughed and said, "I wouldn't call it a job!" But whether they liked their job or not the paycheck helps.

Susan Wyman puts in long hours working at "Woodward and Lothrop".

AFTER - HOURS

When Friday finally comes, relief fills the minds of Falls Church students as books are stored away for two relaxing days. Though there may be homework to do, many students leave it for Sunday night or Monday morning at the bus stop.

When night falls and the "nightlife" begins, the only thing on a student's mind is having fun, and the most important questions are: where to go and what to do? Football games, parties, movies, and shopping rate at the top of the list.

A freshman student was asked where she liked to go on the weekend. She replied, "I like to go to the mall to see a movie or go shopping." Now this might seem a little boring for those of you who can drive yourselves around, but when talking about the nightlife of high school students one must remember, the older you are the more fun it gets. After all, underclassmen have to find someone to drive them places or have to go someplace within walking distance. Driving students, on the other hand, have much more freedom to do what they want.

Then again, it really doesn't matter what you do "around town." Only one thing is important--you are somewhere, doing something, and having fun!!! By Kerry Leibig

GET THE PRIDE . . .

BACK

The week began October fourteenth running through the seventeenth. This years Pride Week was very different than those in the previous years, because it was followed by the Homecoming game and dance. Students this year had many original ideas. For example, they carried and wore many strange items such as cameras, coolers, beach towels, sunglasses, sheets, and anything else that would apply to the assigned days.

The week started off successfully with class day, followed by vacation day, toga day, and then ending with the traditional spirit day. This week was originally designed to raise school spirit. Surprisingly, the students are

not the only ones who participate, the teachers also demonstrate their school spirit. Even though many people enjoyed the week, some felt it was lacking character. Senior Sandee Sherman commented, "I think Pride Week is a great idea but we need more support from the student body to make it work."

The pep rally proved to be effective, school spirits were soaring and the noise level had increased. The roles of the cheerleaders and football players were reversed which was an added event at the pep rally. Falls Church had demonstrated their spirit and determination for the football game against the Annandale Atoms.

HOMECOMING '86

Varsity Team recognition is a large part of tradition at Falls Church.

Every year at Falls Church, as in every other school, there is the tradition of Homecoming, which is kicked off with a football game. Hundreds of teenagers and adults alike gather together to watch the game and just have fun.

Before the actual game and festivities begin, there is a great deal of planning. Each class gets together to plan and execute the construction of their respective floats and all plan the Homecoming Dance together.

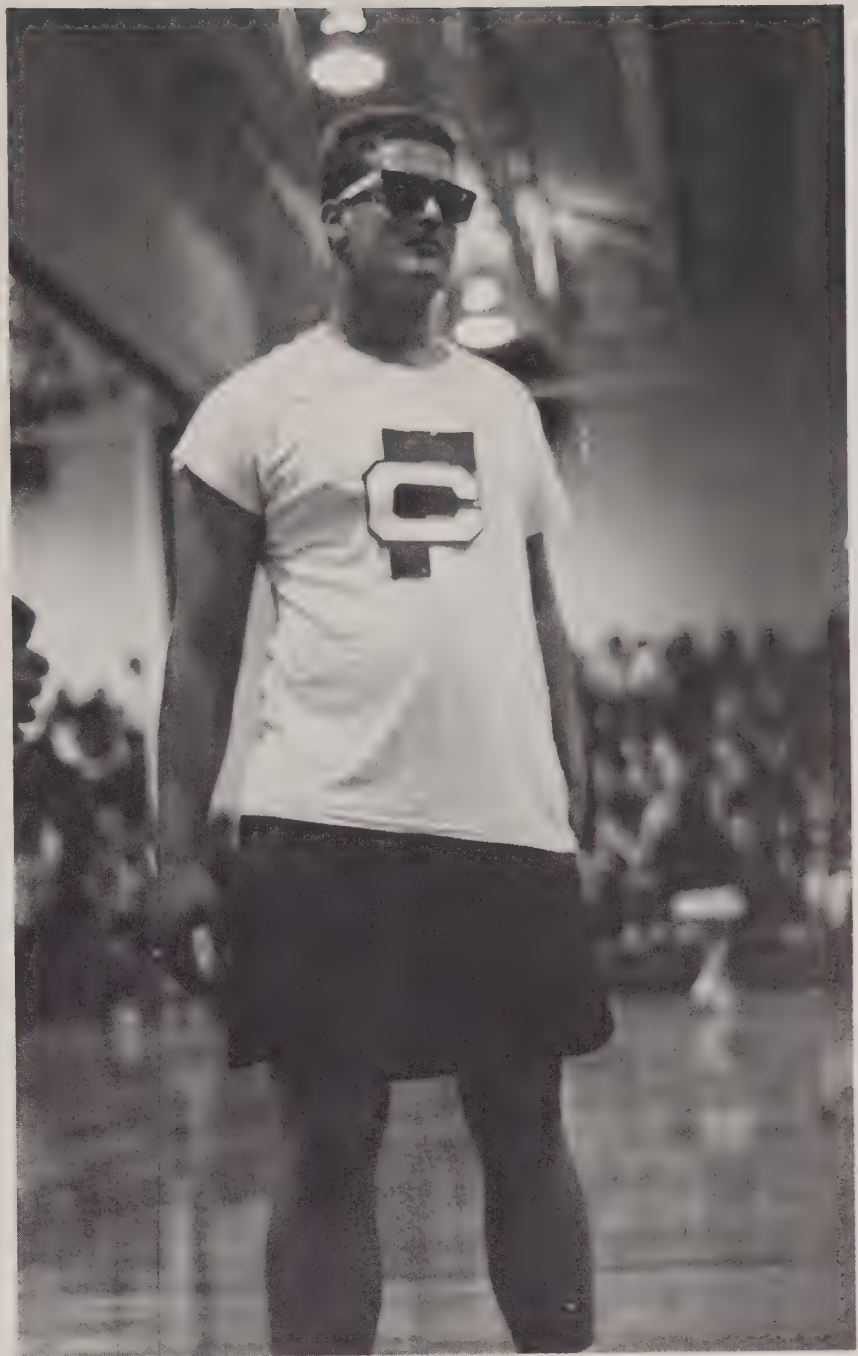

Interviewed Seniors Vicki Clarke, Renee Menefee, and Susan Smith were quoted as saying, "The dance was great, I enjoyed everything!" Although most people interviewed said they liked the dance, the favorite by far was half-time at the game, when the floats are displayed and the Homecoming Court is paraded about. There are, of course, differing opinions about favorite activities, but all agree on the fact that all who attend have a good time.

When questioned about what they didn't enjoy about Homecoming the only comment Beth Clarkson and Ingrid Oliphant had to offer was, "Getting beat!" Other comments suggested that we play easier teams and have the dance somewhere other than the cafeteria. All in all, the Homecoming Tradition is one that is considered worthwhile and extremely enjoyable. It seems that the Homecoming football game and dance will continue long after we are gone.

My, don't our cheerleaders look lovely today.

Too bad our cheerleaders don't play football.

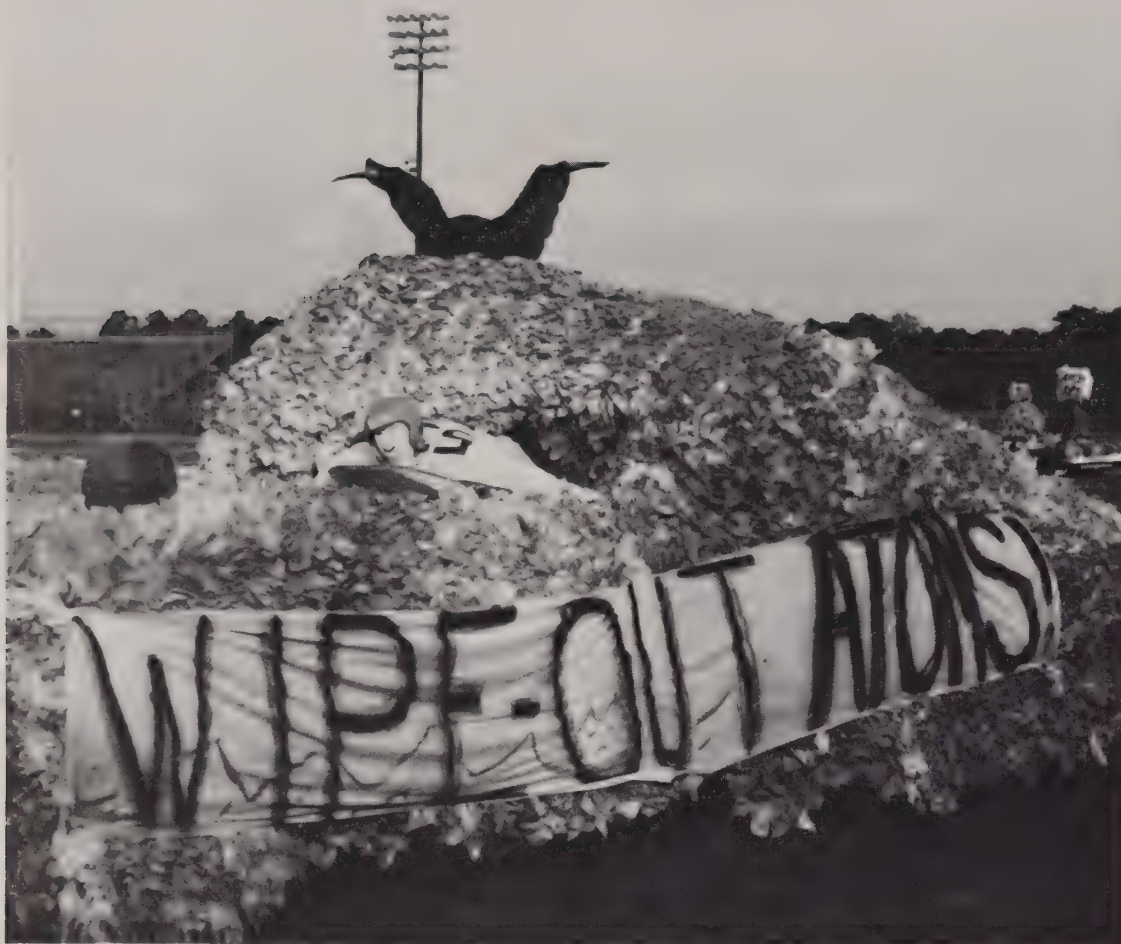

Come on Jags you can do it.

Our football players need to gain weight if they don't want to get crushed.

Seniors hoped to wipe-out the other classes as well as the Atoms.

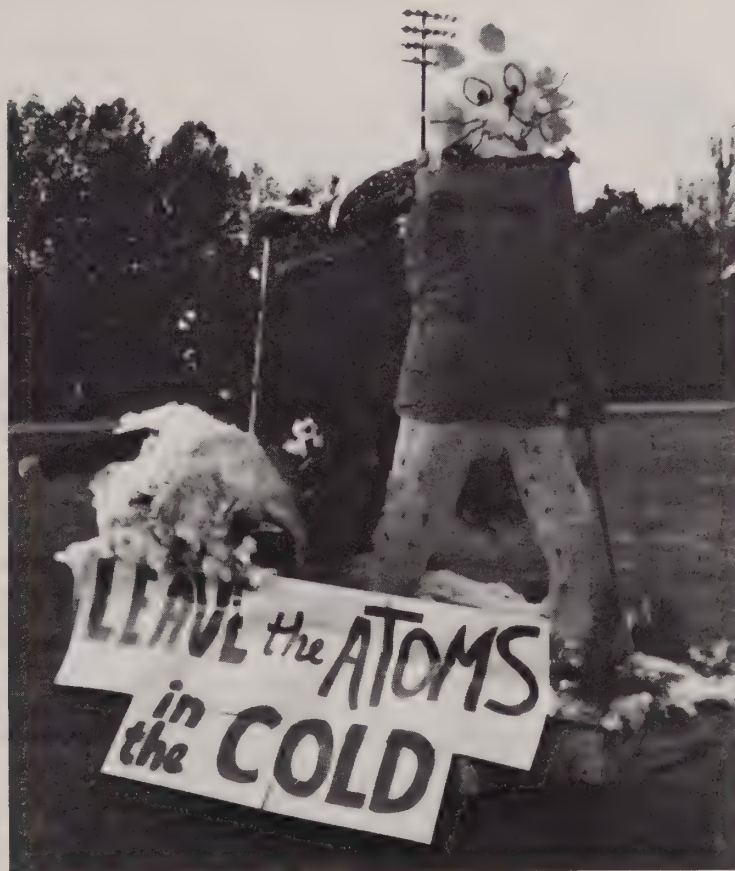

Although Falls Church did not squash the Atoms, the Junior's showed that squashing ability by winning first place.

Since there weren't any seasons left, the hunting season was the only thing this anonymous group could come up with.

The freshmen tried to "catch" the spirit, but didn't get a single bite.

The sophomores tried to leave everyone else in the cold, unfortunately the snowball melted.

FADS AND FASHIONS

All through the years at Falls Church, there has been many fads and fashions passing through these halls. This school has seen styles from the forties, fifties, sixties, seventies, and the eighties. An anonymous survey of seventy-two people revealed that everyone has a differing opinion of style. When asked what look they favored, about 45% of the guys preferred the New Wave/punk look and 33% liked the preppy look. 50% of the girls liked New Wave and 25% liked the casual look. Almost everyone, guys and girls alike, wear hairspray and/or mousse, and a smaller percentage wear dye or bleach. Even though there are many different colors to choose from, the most popular color to wear by far is black. When talking about favorite things to wear, most people are particular about the shoes they wear. The most popular shoe is Reebok, with Nike running a close second. Girls say their favorite shoe to wear is flats or just any kind of sneaker. . that . is if they wear shoes at all.

People have different ideas about different things. When asked what they liked most about the clothes they wear, some said they liked the way they fit and the way they look, most people said they liked them because they owned them. The most interesting response to a question the guys were asked, "What do you most like to see the opposite sex wearing?" 99% of them said, "NOTHING!" The girls said they liked jeans and muscle shirts. Fads come and go, but there will always be jeans and sneakers as well as the constantly changing fashions. Who knows what will come in the nineties?

GET HER!

Top: Senior Marla Banks out maneuvers the Fresh/Soph/Junior team for the first touchdown of the game.

Bottom: Principal, Mr. Ryan, Tanya Chalou, and Melissa Morreale, representatives of the Senior class government presented Mike Erikson and his mother with a check raised by the Powder Puff participants.

Right: Pat Lucas, Richard Coupland, Steve Hodgson, Joe Cheriathundam, Yu-Sik Kim, and Chris Leishear perform "The Jam" to support the Powder Puff players.

"Get her!" could have been the main theme at the Power Puff game on Wednesday, November 25. Each year the FCHS girls put on their cleats, catch the football, and prove they can run down the field with it for a TD. In addition, the guys put on the skirts, gather the pom-poms, and prove "We can jump, scream, and do those cheers, too!"

In this year's game, it was the Freshmen, Sophomores, and Juniors vs. the Seniors. Senior Marla Banks intercepted a pass from her sister, Sophomore Christi Banks, and turned it into a 35-yard TD making the score 7-0. It appeared that the FRESH/SOPH/JUNIOR team would never visit the end zone. In the 4th quarter with time ticking away, the seniors decided to go into their own end zone for a safety. (Why in the world did they do that?) With the score 7-2, a pass was thrown to Junior Nancy Hoang for the winning touchdown. Therefore with no time left, the final score was FRESH/SOPH/JUNIORS 9, SENIORS 7. In the game there were some ac-

tual tackling and girls having the wind knocked out of them. Despite this, all the girls had a great time.

It was quite a sight to see guys jump, flip, and attempt to do the splits. Some of the cheers were . . . um . . . "original." Whether this will ruin a guy's reputation, Seniors Chris Leishear and Steve Hodgson both agreed, "This will further and add to it."

This year's Powder Puff game was a bit different. Everybody who participated raised money for Special Guest Senior Mike Erickson who was in an accident that confined him to a wheelchair. During half-time a sizable check was presented to Mike and his mother. They were given a warm round of applause.

Everybody agreed that the reason they were in the game was because of Mike, the cause, the tradition, and, of course, the fun. Junior Nancy Hoang added that she wanted "to kill the Seniors!"

GRAB YOUR PARTNER!

The annual Sadie Hawkins Day Dance was held Friday, November 21. The dance was derived from the comic strip "Lil Abner." The cartoon evolved around the backwards life of a country town, Dogpatch, U.S.A. The only way two people could become engaged was by the girl ketchin' the boy in a footrace held once a year. This is how the theme of Sadies originated. This is the one dance the gals have to rustle' up the courage to ask their beaux to the dance.

On that same day the senior characters came to school dressed in their country clothes

that corresponded to their character. Then they paraded around the cafeteria displaying their country attires.

This year the dance was a little different from those of the past. Not only did the girls escort the guys but there was also a Sadies Court that the guys were voted for by their classmates. Preceding the introduction of the court came the introduction of the Sadie Hawkins characters. During the dance, couples were able to get hitched by Marryin' Sam (Rich Coupland). The vows relinquished at exactly 12:00.

Chris Leishear and Amy Callen get down to some good ol' country home music.

The Sadies characters were: [Front] Jenny Monroe & Audrey Bill (Yokum Twins I), Courtney Danner & Deanne Ferguson (Yocum Twins II); [Middle] Stacy Stevenson (Separatin' Sue), Tonya Chalou (Passionetta Von Climax), Sandee Sherman (Injun Jane), Melissa Morreale (Wrasslin' Sally), Cheryl Crawford (Cave Gal); [Back] Jim Harrington (Guzzlin' Gus), Josh Phillips (Papa Yokum), Mike Almassy (Grandpa Yokum), Sam Jones (Injun Joe), Robbie Poole (Wrasslin' Sam), Rich Coupland (Marryin' Sam), Heather Cain (Daisy Mae), Paul Baker (Lil Abner).

Introducing the Sadies Court: Ian Bramson (Freshmen), Seniors were: Jeff Wilson, Robbie Poole (King), Kevin Vandergrift, Kevin O'Connor, Dan Mazzei (Junior). Not pictured: Eric Purvis (Sophomore).

A NIGHT OF ROMANCE

The Sweetheart Dance was a night of romance. Originally set for Feb. 7, it was moved to Feb. 28 because of the blizzard that put the school year behind. The dance started at 8:30 P.M. and the night of romance had begun. Girls in their gowns and guys in their suits proceeded to dance the night away. Then came the highlight of the evening, the introduction of the 1987 Sweetheart Court. First they introduced the Freshmen, Sophomore, and Junior representatives. Then came the big moment, the announcement of the

Senior representatives, Queen, and King. Michelle Castle was named Maid of Honor. Marla Banks was Queen, and Sam Jones was crowned King. After the King and Queen were announced they had the traditional King and Queen dance, where for one song they enjoyed the spotlight together.

As the night came to an end the couples took their special heart down from the walls that held the couples name in it as a remembrance of the 1987 Sweetheart Dance.

Sam Jones and Marla Banks share the spotlight as the years Sweetheart King and Queen.

Donated by the S.G., the sparkling ball added a touch of class the this years Sweetheart Dance.

Mrs. Cronin smiles with anticipation as she prepares to announce the King and Queen.

Julie Lusick takes off her shoes to relax and dance with Rob Dalkin.

As the Sweetheart dance draws to a close, these students made sure they danced "the last dance."

Dan Mazzei gives Marla Banks that special look as she is announced queen.

The 1987 Sweetheart Court: Front- Amy Deleon, Debbie Ice, Lisa Karwois, Liz Coon, Dee Cartwright, Sara Dickerson, Susie Cigmaglia, Wendy Smith. Middle- Seniors, Tonya Chalou, Julie Lusick, Marla Banks, Michelle Castle, and Beth Clarkson. Back- Sam Jones and escort, Dan Trogar, David Poole, Dan Mazzei and escort, Adam Davis and Sara Hajar.

DAVID "DEAGON" EDGAR, A MAN OF MANY STATIONS

While playing records all day, David sometimes feels that he's a part of them.

Every Sunday morning David can be heard doing the weather during the "Rick Dee's" countdown.

Every morning at 8:45, for the past four years, that innocent intercom on the wall in first period has been transformed into a funnel of information. David "Deagon" Edgar, has been the host of the morning news update since his freshmen year. Unfortunately, all good things must come to an end . . . or is that a beginning?

Since Dave is a senior this year, he will not be returning for a new season (and he's not planning to syndicate re-runs). This raises questions about the future of David Deagon and WFCH radio. We asked him what would become of this unique form of entertainment:

"Well my teachers decided not to renew my contract," Dave told us, "Actually, we are working on plans to continue the station next year under new management, but nothing is final."

As for David, you will hear from him again. In August 1986, Dave got his first on air shifts at WPRW 1460-AM. "I was working as an assistant in engineering at WAVA-FM. I told them of my goals to be on-the-air and the

only thing I lacked was experience. So since I wasn't about to join the army to get it, I sent a tape to WPRW. Eventually I got a job doing swing shifts . . . which led to full-time fill-ins.

David's big break came in December 1986 when an air shift became available at WAVA. Every Sunday morning, while you're eating your family breakfast, Dave is busy spinning syndicated "Rick Dees" records at Washington's number one hit music station. Over the winter holidays, the youngest disc jockey in the Washington market, cracked open the mike for the first time.

"Actually I was on the air at WPRW on Christmas when I received the call," Dave told us. "They wanted me to go on Saturday morning. I had another shift at WPRW that conflicted with that time, but you better believe I found a way out of that. My goal had been to be on at WAVA by the end of 1986. On December 27th, it came true!"

Since that first on-air shift at WAVA, Dave has received two hours a week, Sunday morning from 4am to 6am, of air time.

"Maybe it's not the most happenin' time to be on, but it gives me a chance to practice and experiment with different techniques at a time I know my boss is not listening. That's when I play my Meatloaf records!"

We asked Dave if he ever got nervous about going on the real radio.

"It's funny because when I'm on at WAVA, in one minute I talk to more people than I've probably ever met, but since I don't see them, it doesn't feel any different that WFCH. As for WPRW, that station only has five listeners . . . and three of them are cows grazing out in the pasture."

So what does the future hold for our high school boss jock? David plans to attend college next year, at the same time he will keep a part-time job in the business. Then after graduating from college, with five years of broadcasting experience, he'll go on to be the next fast talking, high payed, obnoxious radio personality with a big ego . . . or has that already happened?

"Uhhh . . . Oh yeah, this is power 105 WPRW, OOPS! 105 WAVA"

As well as spinning discs, David also has to take hourly checks to make sure the programming is o.k.

Seniors -- The past 4 years have been an odd mixture of tragedies and triumphs. The transformation within all of us as individuals, first, and society as a whole has been nothing less than revolutionary. In the wake of tragedies, we came together and were strengthened; happiness too we shared together. The year brought a return to old values and morals. Prominent, also was an increasing concern and interest in the family life as indicated by the amazing success of shows as "The Cosby Show" and "Family Ties". The years saw more than their fair share of tragedies for our heroes and stars. Deaths of Rock Hudson and Liberace opened our eyes to a national problem - AIDS. There were also scars in the sports arena. The death of Jim Brown made us aware of another problem - Drug. There was also the accident of the Space Shuttle Challenger causing the death of seven astronauts. Clear to home, there was the death of Mr. Batten after a brave fight with cancer. We did have our moments of happiness: our junior float and the great prom we gave at the Sheraton Hotel. Our years at Falls Church well lived, but as cool, pressured and hardened, turned to dreams, we too shall emerge from life when the phrase "a good time" is truly defined: SENIOR YEAR. No more petty pressures of junior year, loony dreams of sophomore year, and Kida wear Outlet fashions of freshman year. Senior year is filled with ups and downs (as with any year) but, as we've all heard, it's mostly ups. Senior Slump sounds heavenly. Seniors don't care whether they come to school or not because they've either already been accepted somewhere or have already sent in their applications. And if they do come, it's to see their friends and find out what's going on because all they care about is having ... "a good time." Pay attention to that phrase, Juniors, it's probably the only thing that will get us through this year and the first half of next.

Juniors -- Don't you just wish sometimes that you could just erase everyone in the world with your "pink pet" eraser just as you do the little slashes on your Scantron sheets? But, of course, if you don't erase them clearly enough you get marked down and they keep coming back to haunt you until your life is totalled. Much like your first car, your first real date, your life (in some cases.) Junior year can most accurately be described as a year of extremes. Either someone or something is extremely cute or fabulous or it's extremely gross and undesirable. As a junior, you are constantly bombarded with hopes, anxieties, and massive depression. Especially that which goes hand-in-hand with that "C-word" that your parents take great pleasure in hurling at you - COLLEGE. GPA's, SAT's, PSAT's, ACT's, SRA's and a dozen more atrocious acronyms that spell the opposite of RELIEF. "Oh, someday this hard work will all pay off," you say. He says, she says. We all say. And then questions begin to sprout, when? why? where? how? What? The answer, of course, is discovered during that time in an adolescent's life when the phrase "a good time" is truly defined: SENIOR YEAR. No more petty pressures of junior year, loony dreams of sophomore year, and Kida wear Outlet fashions of freshman year. Senior year is filled with ups and downs (as with any year) but, as we've all heard, it's mostly ups. Senior Slump sounds heavenly. Seniors don't care whether they come to school or not because they've either already been accepted somewhere or have already sent in their applications. And if they do come, it's to see their friends and find out what's going on because all they care about is having ... "a good time." Pay attention to that phrase, Juniors, it's probably the only thing that will get us through this year and the first half of next.

A closing note from each

from class ---

Freshmen --- To say we felt lost and intimidated on the first day of school is an understatement. Fortunately the worst is over. Nevertheless, it took a long time to get here physically and mentally. We attended the plays and pep rallies. Expectations, dances, and met. Public opinion of this years social activities range from "OK." to "Dead." to "Great!"

Now that the worst is over we can look forward to being Sophs and having some class spirit. OK, maybe our class pep rally is in this school. What freshman class ever is?

Most of the sophomores are OK, maybe our class pep rally is in this school. What freshman class ever is?

Most of the sophomores are OK, maybe our class pep rally is in this school. What freshman class ever is?

Sophomores -- Our sophomore year has been one to remember. No more buying
 for most of us it was the beginning of the "sophomore blues." No more buying
 for others it was the pool on the third floor, but not yet ready to sell some of us will
 tickets for the pool. I think we've made. And though be with us.
 We'll always remember the friends we've made. And though be with us.
 Maybe next year we'll learn the art of cutting in the lunch line
 without getting caught by Mr. Jait. Some glimpses of our soph-
 omore year that I think have caught all our thoughts
 are: Pep rallies, football games, computer dating lists,
 by one point, weird seniors, school pictures, and of course
 trying to improve. For many, this year flew by fast
 beach week. Football and basketball games kept us
 busy. Wondering if I should wear
 this or that and what was the
 next thing I could do to
 annoy my parents.
 Yes, we'll always re-
 member this past
 year at Falls
 Church.
